# Russian Blockade Of Berlin To Be Lifted May 12, Big Four Announce Today

## WEST'S COUNTER BLOCKADE WILL END SAME DAY

By JOHN M. HIGHTOWER

Washington, May 5 (AP)—The Russian blockade of Berlin will be lifted May 12 under a Big Four agreement announced today.

The Western powers' counter blockade of the Soviet zone of Germany will be ended at the same time.

The Council of Foreign Ministers will meet in Paris May 23 "to consider questions relating to Germany, and problems arising out of the situation in Berlin, including also the question of currency in Berlin."

### Extraordinary Harmony

The four-power communique, climaxing more than two months of intense negotiation, was issued simultaneously in Moscow, London, Paris and Washington—as well as in New York where the Berlin deal was worked out at the headquarters of the United Nations.

The document was an extraordinary display of harmony after more than a year of tension and conflict—sometimes marked by fears of actual war.

At the same hour the brief statement was made public, a copy was handed to Trygve Lie, United Nations Secretary General. Lie also was given a letter from the Western powers asking him to advise the U.N. Security Council "that agreement has been reached among the four powers regarding the blockade."

### Week To Prepare

The official statement itself marks the beginning of the end of one of the most critical situations in the postwar struggle between Russia and the Western powers.

It will require the full week from now to May 12 to make the complicated arrangements for restoring normal rail, highway and barge traffic between Germany's first city and

the Western occupation zones.

But while the desperate necessity for the airlift now will be at an end, officials made plain they have no intention of abandoning it either suddenly or completely.

### To Build Stockpile

In Berlin, the retiring American military governor, Gen. Lucius D. Clay, said he expects the aerial operation to continue until the western sector of the German capital has a stockpile of at least 200,000 tons of supplies. That would mean about one month.

Even then, the planes and men in all probability will be kept under standby orders.

Washington officials regard the continued operation of the airlift as a sort of insurance against the possibility that if the approaching negotiations for a settlement of broader German problems become difficult, the Russians might be tempted to restore the blockade.

### First Class Defeat

Actually, best informed authorities consider this possibility remote because they believe the Russians have suffered a first class defeat in the battle for Berlin. Thus they reason that this defeat rather than any impulsive desire to adopt conciliatory gestures toward the west, prompted the Soviet agreement announced today.

The blockade first was imposed

more than a year ago and since the middle of last summer the restrictions have been as complete as the Russians could make them. The Soviet purposes were regarded by the west as, primarily to block western

power plans to create a separate government in Western Germany or, failing in that, to drive the western allies out of Berlin.

The Soviets would have succeeded in one of these objectives—or in precipitating a war—had it not been for the success of the airlift operation. It prevented the starvation both of the German population and the allied inhabitants in the city.

### Count Heavy Cost

The airlift became a symbol of western determination to stand firm against Russian pressure and a demonstration of American and British aerial might.

Meanwhile the counter blockade

## FEARS CHAOS IN PARTY'S RANKS

Washington, May 5 (AP)—The

Democratic party displayed "dis-measures which the western powers took against the whole Soviet zone put the Russians themselves under heavy economic pressure and proved another factor in their eventual defeat at Berlin."

So far the airlift has cost the United States \$173,498,600 in money plus 27 lives lost and 28 airplanes wrecked.

unity and confusion" during the House Labor bill fight, says Rep. Cavalcante (D-Pa.).

Cavalcante, a resident of Uniontown, Pa., and chief counsel of District four of the United Mine Workers, called yesterday for a Democratic caucus to discuss future legislation and to prevent "ultimate chaos within our ranks."

Cavalcante said he voted for the compromise labor bill proposed by Rep. Sims (D-S.C.) because he thought it was better than the Wood bill.

The Uniontown Democrat criticized his colleague, Rep. Kelley of Greensburg for not supporting the Sims bill. The only other Pennsylv-

ania Democrat to vote against the measure was Rep. Flood of Wilkes-Barre, who told reporters that like Kelley he was against the bill's provisions for injunctions and an anti-Communist oath.

All the Pennsylvania Democrats, plus two Republicans, voted against substitution of the Wood bill for the Lesinski bill. The two Republicans were Corbett and Fulton, both of Pittsburgh. All other Republicans voted in support of the Wood bill.

On the vote to send the bill back to committee, all the Democrats voted yes and all the Republicans, except Corbett, voted no. Corbett was paired in favor of sending the bill back to committee.

# ATLANTIC PACT BEFORE SENATE AS REDS YIELD

By DEWITT MACKENZIE  
(AP Foreign Affairs Analyst)

John Foster Dulles told the Senate Foreign Relations committee yesterday that "war is highly probable" if the United States doesn't ratify the North Atlantic Treaty.

That's a mighty blunt statement to come from the American delegate to the United Nations. It challenges analysts. Why would war be highly probable?

Without trying to read Mr. Dulles' mind, I believe we can get our answer by going back to a hypothetical situation which this column discussed long ago. This is that if Russia should be able to establish Communism across western Europe to the English Channel another world war would be inevitable.

**Must Hold Present Line**  
America and Britain then would stand alone among the great powers against the bolshevist drive.

The corollary to this hypothetical situation is that, if it is to be avoided, the Communist offensive must be held on the line which it now occupies through central Europe. The only thing which will hold it there is a strong and united Western Europe.

Since time is of the essence, that unity and strength can be provided only through some such alliance as the Atlantic Pact.

That would be my explanation. Mr. Dulles told the committee it is dealing with a totally different world situation now than it was a year ago. Then the pact was only being discussed but now it has been formally signed. To repudiate it now, he said, would indicate a change in America's viewpoint and this would make other countries change their plans.

"Out of that," Dulles added, "would come a war."

While this testimony was being given, Russia and the three western powers got together in New York and agreed to lift the Berlin blockade and counter blockade measures. They further agreed to resume meetings of the long dormant Big Four Foreign Ministers' Council.

The blockades are expected to be lifted May 12 and the foreign ministers are scheduled to assemble May 23.

While this in itself doesn't mean either peace on earth or good will toward men, still it's a move in the right direction.

## Anthracite Confab Convenes At Lehigh

Bethlehem, Pa., May 5 (AP) — The seventh annual anthracite conference opened at Lehigh university today with 400 educators, engineers and hard coal operators in attendance.

The conference, with sessions today and tomorrow, is designed to present information of benefit to those engaged in mining, marketing or using hard coal.

The session tomorrow afternoon will consist of a conference on retail problems.

Speakers will include Dr. Raymond C. Johnson, vice president of research for the anthracite institute; William B. Neill, president of Neill Constructors, Inc., New York; R. Emmet Doherty, dust control engineer of the anthracite institute, and A. Copeland Callen, head of the department of mining engineering at Lehigh university.

CIO declared "we will ask on the basis of the needs of the workers." Leaders of the steelworkers union have indicated in recent utterances that the USW will ask for another wage increase, pensions for workers and other benefits.

Murray said the steelworkers will reopen 835 agreements in basic steel producing companies affecting 706,000 workers. The union, he said, also will start negotiations for 11-222 wage pacts in the fabricating industries in cases where contracts expire in the next three months.

# NEW TACTICS, SAME OLD GOAL FOR RUSSIANS

By JAMES MARLOW

Washington, May 5 (P)—When you change your tactics, it doesn't mean you've changed your mind about what you want. Maybe you've just changed your way or trying to get it.

Just keep that in the top of your head in the months, and maybe years, ahead as new dealings begin between Russia on one side and this country and the other western Democracies on the other.

With the lifting of the Berlin blockade, it's clear the Russians have lost a battle in the cold war—but not necessarily the war. The Berlin blockade was just part of a big engagement.

## Goal Unchanged

The Communists made it plain long ago that their goal is to take over the world. Nothing has happened to indicate they've changed their mind. If they shift their tactics, it doesn't mean their goal has changed.

They've taken over eastern Europe and, remembering what their goal is, you don't have to be a mind reader to know they'd like to grab off all Germany and western Europe.

And the weaker all Germany and western Europe remain, the better Russia's chances. But two things happened:

1. The United States and its western Allies, unable to agree with Russia on a single government for all Germany, decided to set up a separate one in their zones of Germany, leaving it to the Russians to do as they pleased about another German government in their zone.

2. This country started the Marshall Plan to get western Europe back on its feet and thus keep it from becoming a pushover for Communism.

## Astonishing Airlift

The Russians a year ago threw a blockade around Berlin. If that blockade had worked, the western powers would have been discredited among the German people. But—

1. This country and its allies began the airlift which astonished Europe and the Germans. It worked. It made the Russian blockade meaningless.

2. The Marshall Plan began to

work and western Europe grew stronger.

That was all bad medicine for the Russians. But to cap the climax, this country and western Europe then agreed on the Atlantic Pact, binding them all together with hoops of steel in the real sense, for the pact would mean an armed western Europe, facing Russia. That would be a real discouragement.

## Red's Busy In Asia

So now the secretaries of state of the U. S., Britain, France and Russia will start talking again about Berlin and Germany and other things. The blockade probably will be lifted around May 12 and the talks begin around May 23.

If Russia can get the west to drop a separate government for Germany and drop the Atlantic Pact, it will be a victory for Russia without doing anything more than talking. This isn't likely to happen, since American diplomats talk of going ahead with their plans. What else could Russia want?

Who knows? But any advantage Russia can get out of its dealing

# IRISHMAN SOCKS EIGHT RUSSIANS

Vienna, May 5 (P)—A fighting Army Irishman who started a one-man war against Russia had a headache today. So did the U. S. Army. And eight Russian officers had sore jaws.

In addition, the Chinese Communists are taking over China. It's not certain they'll let Moscow lead them by the nose. And Russia may have its hands full in Asia for a while, trying to get things straightened out there to its liking.

three inches tall, 230 pounds and the alleged cause of it all—was under observation in a locked room at a Vienna Army hospital.

Touhey, according to Provost Marshall Col. Willard K. Liebel, had been drinking "but not enough to cause all this disturbance."

Liebel didn't specify how much alcohol he thought it should have required yesterday to cause a man to:

Start fighting the sentry outside the Soviet-occupied Grand Hotel in Vienna's International district.

Walk across the street to the swank Imperial hotel and slug a Russian officer standing there.

Enter the hotel and start swinging at the available supply of Russian officers. Some said the stockpile was eight, others said 12.

All agreed Touhey took them on one at a time. Eight went down.

## Emmitsburg WILL OBSERVE POSTURE WEEK

"Correct Posture Week" will be observed in Emmitsburg beginning Monday, May 9, and Dr. D. L. Beagle, Emmitsburg chiropractor, has announced that he will examine all school children, accompanied by a parent, free of charge during the week, provided an appointment is made at his office.

An official proclamation has been issued by Gov. Preston Lane of Maryland setting aside the observance of "Correct Posture Week" and the Maryland State Chiropractors' association is sponsoring the movement to examine school children and inform parents if children are in need of correct posture advice.

A feature of the observance will be an essay contest, with first prize \$100, second prize \$50 and third prize \$25, open to high school pupils. Entries should be mailed to the chairman, Maryland Chiropractic association, 2321 Eutaw place, Baltimore 17.

A "Correct Posture Week" proclamation was issued by Mayor Thornton W. Rodgers of Emmitsburg urging parents to take advantage of the free examinations for their children.

## ROVING MONKEY FINDS A HOME

A small monkey known as "Itchy" has been on constant exhibition outside the home of Mr. and Mrs. George R. Chronister along Beaver creek, east of East Berlin, since Mr. and Mrs. Chronister purchased the little animal a short time ago from Millard Basehoar, Jr., Littlestown.

"Itchy," originally the property of a small travelling circus, was bought several years ago by Mr. Basehoar, and lately, while Mr. Basehoar has been doing sawmill work in East Berlin, the monkey has enjoyed riding to work with him in his car. However, she took fright one day recently when the power saws began to roar, and broke away, running around East Berlin until alarmed neighbors cornered her on the roof of a house on Abbottstown street. She ran away again and was chased by a group of boys to the end of Harrisburg street, finally eluding them by disappearing under the foundation of an uninhabited bungalow at Conewago park, northeast of East Berlin.

When, after several hours, "Itchy," came out, she somehow found her way to the Chronister property where the couple penned her in an

## FARM CALENDAR

**Avoid Bull Hazard**—One way of eliminating the hazard of having a dairy herd bull (they are never safe) on the farm, suggests Joe S. Taylor, extension dairy specialist, the Pennsylvania State college, is the use of artificial breeding, a program which now takes in one-fifth of all dairy cows and heifers of breeding age in the state. Incidentally, dairy artificial breeding is now available in all counties and in all communities with a concentration of dairy animals.

**Draining Wet Spots**—Despite the large volume of this work done on Pennsylvania farms since the war, John R. Haswell, extension agricultural engineer, the Pennsylvania State college, says tile installation for draining wet spots "appears to be just getting started, judging from the big programs now under way in nearly all parts of the State."

**More Eggs Per Hen**—Pennsylvania poultrymen are doing a better job than ever before in maintaining their flocks, and consequently are producing more eggs per hen, states Harry H. Kauffman, in charge of poultry extension, the Pennsylvania State college.

**Work Less and Do More**—By making maximum use of elevators, hoists, blowers, and other mechanical gadgets farmers ease their own labor load, and get more accomplished, says Charles G. Burrell, Penn State extension agricultural engineer.

**Sturdy Baby Chicks**—Important factors for brooding sturdy chicks

are clean, dry, draft-free quarters.

**Get Spray Schedule**—Control of insects and plant diseases, a major part of the farm program, is explained in detail in schedules worked out by extension entomologists and plant pathologists of the Pennsylvania State college. Copies of these recommendations are available for the asking at Agricultural Extension offices in all counties of the State.

**Give Pullet Room**—Pullets reared in confinement need plenty of room and good ventilation, reminds Carl O. Dossin, extension poultry specialist, the Pennsylvania State college. But rearing them on range, where pastures are available, is the cheaper practice if not unusual problems, such as predators and storms, are involved.

**Preventing Erosion**—Contour strip demonstrations for preventing soil erosion will reach a new high total this spring, reports Frank G. Bamer, extension agronomist of Pennsylvania State college. By the end of

1948 these layouts had been established with the aid of the Agricultural Extension Service on 5456 farms.

**Good Garden Soil**—James O. Dutt, extension vegetable specialist, Pennsylvania State college, defines a good garden soil as "mellow and loamy," with the top soil at least eight inches deep. Also, the garden should be level and well-drained.

**Beautiful Home Grounds**—Plantings of flowers and ornamentals can beautify the home grounds, and need not be expensive, according to A. O. Rasmussen, extension ornamental horticulturalist, Pennsylvania State college.

**Let Plants Spread**—Space garden plants to permit cultivation and natural development, advises Joseph H. Boyd, Penn State extension vegetable specialists.

# SEE POLITICAL BATTLE FOR ALL GERMANY AHEAD

**By WES GALLAGHER**

Berlin, May 5 (P)—The western powers, victorious in the cold battle for Berlin, come now to the greater struggle for all of Germany.

Many international observers here believe that a victory for the westerners in this struggle would shatter the Russians' iron curtain. Eastern Europe traditionally depends heavily on Germany for the supplies it needs—supplies which it is doubtful Russia alone can provide.

Russia's failure to attain her goal of driving the western powers from Berlin with the blockade obviously spells a western victory in the Berlin phase.

**Expect Foxy Cooperation**

The next phase will open with the forthcoming four-power meetings in Paris, called in connection with the agreement announced in New York yesterday to end the blockades and seek a settlement of the whole German problem.

Many top American officials in

Germany expect the Russians, at the Paris meetings, will shift from a policy of obstruction to one of foxy, limited cooperation, designed to give them the strongest possible voice in a central German government merging the eastern and western zones.

These officials predict the Soviet bargainers will make certain concessions, even to the point of allowing satellite nations to seek renewed economic ties with the west to relieve economic distress before they become too restive.

**See Tough, Futile Talks**

Russia, these Americans believe, realizes her get-tough policy with the west has failed. So they look for a leavening of this policy designed to strengthen the propaganda hands of Communist parties in western Europe, and to wangle Communists into influential positions in a central German government.

Some very able observers expect the diplomatic struggle for all Germany will be sharper and less subtle. They predict that the Russians, pinched by the allied counter-blockade which has stagnated the economy of the Soviet zone of Germany, simply will discard the blockade as a useless weapon.

These spokesmen say they will be surprised if the four-power meetings are not marked by the same

tough, futile discussions which marked past ones.

The east zone Reds have scheduled elections, on May 15-16 for a "people's Congress" claiming to represent all Germany. While this is only a week before the foreign ministers are due to get together, some observers feel the Communists will try to set up a government to claim parity with the projected west German state.

Possibly the most solid clues to guide this speculation came in yesterday's edition of the Soviet army newspaper Taegliche Rundschau. It hinted at these probable Soviet demands:

(1) Unified Germany, with disproportionate representation for German Communists; (2) Drastic modification of allied control over steel and coal resources of the Ruhr, with guarantees that Russia would have equal authority with the western powers in policing it and that a large share of Ruhr production would go to eastern Europe; (3) An early end to military occupation of Germany.

Glasgow, Scotland, May 5 (P)—Three shopgirls jumped 59 feet from the roof to the ground as five went to a store here Wednesday. One girl was known dead and several were missing. A police official said he feared 10 were dead.

Washington, May 5 (P)—Gen. Omar N. Bradley told Senators Tuesday that America's defense frontiers lie "in the heart of Europe." The army chief of staff was before the Senate Foreign Relations committee to urge approval of the 12-nation North Atlantic Security Alliance.

Thirty-three national soccer teams will compete for the World Soccer Cup in Brazil next year.

## Customers' Corner

What can we do to make your A&P store a better place to shop?

A few months ago we ran an ad asking our customers to write us their answers to this question.

The thousands of answers that came in were very helpful and have given us a blueprint for our activities during the coming year. We want you all to know that we appreciate your suggestions and we are striving to give you the things you asked for.

But if we are to keep on doing the best job for our customers we must stay up-to-date on your wishes. The thousands of A&P employees from coast to coast hope that you will continue to give us your suggestions and criticisms. Please write:

## ASKS CURB ON 'BABY' MARKET

Philadelphia, May 5 (AP)—Judge Nochem S. Winnet wants a new law to curb a "black market" in babies which he says is operating here.

In an address before a conference sponsored by the Pennsylvania Association on Probation and Parole Tuesday, the jurist told 150 social agencies delegates that many of the 200 to 300 babies adopted here are paid for in preliminary cash transactions between unwed mothers and childless or lonely couples.

Judge Winnet said the petitioning parents sometimes would confess "they paid \$1,000 for the lying-in expenses for the mother," since to admit they paid any large sum of money for the child would be illegal.

In these cases, the jurist said, the court is rewarding the petitioning parents for engaging in an illegal activity by decreeing adoption. But, Judge Winnet added, refusal to grant adoption would only result in further buffeting by society of an innocent child.

Judge Winnet said that the illegal infant selling exists only in cases involving private arrangements between natural and adopting parents. He asked that a law "that would require every child to be placed for adoption only after investigation through an official agency, such as a department of welfare."

Radio and television rights for the 1948 World Series were sold for \$150,000 and \$140,000 respectively.

## East Berlin

East Berlin—Dr. Eugene Elgin is able to be about after the recent illness that confined him to his home. Dr. Elgin, who has a position with the state Health Department at Harrisburg, became seriously ill with a heart attack while at his office a few weeks ago and was removed to his home.

John E. Gentzler, has been undergoing observation and treatment at the Warner hospital.

An exhibition of the work of grade and high school students was held at the borough school building last Thursday evening in conjunction with the monthly meeting of the Conewago Jointure Parent-Teachers

## RECORD INCOME FROM POULTRY

Pennsylvania's poultry industry reached an all-time annual record gross income of \$218,798,000 in 1948, the state Department of Agriculture announces from federal-state surveys.

The record total is nine per cent above the previous high of \$200,676,000 set in 1947. Department officials emphasized that the figures are gross and do not show deductions for expenses of operation of poultry farms.

Largest percentage increase was in the broiler industry which advanced 48 per cent in value of production over 1947. Gross income from broilers and fryers was \$9,958,000 last year compared with \$6,717,000 the previous year.

Bulk of the poultry industry gross association. All classrooms were thrown open to the inspection of parents and patrons.

## Less Corn Planted For Freezing, Canning

Pennsylvania commercial growers of sweet corn for canning and freezing have advised the state Department of Agriculture they will reduce

income was from the sale of eggs, a total of \$149,350,000 compared with the 1947 gross of \$135,324,000, a 10 per cent advance. It was the second consecutive year that egg production passed the three billion mark, the 1948 total being a record 3,096,000,000.

Gross income from all chickens increased only slightly, from \$48,079,000 in 1947 to \$48,194,000 in 1948. Turkey income increased seven per cent from \$10,556,000 in 1947 to \$11,296,000 in 1948.

Pennsylvania broiler production in 1948 totaled 7,903,000 birds, an increase of 30 per cent over the 1947 production of 6,079,000. The average price received by farmers at 36 cents a pound live weight was up 3.5 cents from the year previous.

# CZECHS UNDER RUSSIANS ARE BEGGING HELP

By DEWITT MACKENZIE  
(AP Foreign Affairs Analyst)

The Soviet proposal for ending the Berlin blockade continues to present a complicated study of wheels within wheels.

The latest slant on the problem shows Moscow anxious to shelve the cold war for the purpose of easing the economic barriers between Eastern and Western Europe, besides ending the Berlin blockade. Why? Well, an authoritative American source in Berlin puts it like this:

"Eastern Europe is starved for manufactured goods which Russia cannot supply. Having made concessions in Germany the next step (for Russia) is to make others relieve the plight of her satellites."

In support of this thesis we see little Czechoslovakia send a delegation to Washington to ask for aid from the capitalists whom Communists damn so heartily. She wants credits of at least \$50,000,000 and easement of the export controls on U. S. shipments to this once-thriving state which now lies behind the Iron Curtain.

## One Leader Quits

Dr. Hugo Skala, a member of the four-man Czech delegation to Washington, reports that Czechoslovakia is threatened with an early economic crisis. The doctor, a former top official in the Prague Finance Ministry, quit the delegation as soon as he reached America and asked the State Department for asylum as a political refugee.

Edward E. Bomar, one of the A.P. diplomatic experts in Washington, reports that the request for aid from the Communist-run Prague government seems destined for a final, flat "no."

Czechoslovakia has tumbled from pre-war prosperity to its present tough position. Early this year the Communist government put into effect the full Red nationalization program under which all foreign trade is controlled by the state.

## Situation Is Serious

A chaotic condition developed, and Mr. Skala told the Overseas Writers club in Washington that the government's foreign exchange resources

# FAMILY OF FIVE PERISH IN BLAZE

Jersey City, N. J., May 5 (AP)—Five members of a family were killed and two injured Wednesday as a flash fire shot up the stairway of a three-story brick building here. Fire Chief Frank Erie said the blaze started on the ground floor hallway and mushroomed out on the top floor of the building.

A family of 11 on the second floor got out unharmed by climbing through a window onto the roof of an adjoining building. The structure is surrounded on three sides by one-story buildings.

The dead were Frank Quazzo, 60; his son, Albert, 22; two daughters, Mrs. Angie DeMarco, 20, and Phyllis Quazzo, 26; and Albert's wife, Conita, 24.

Injured were Mrs. Mary Quazzo, 55, the elder Quazzo's wife; and Samuel DeMarco, 28, his son-in-law. Both suffered from smoke poisoning and burns, and DeMarco had cuts on both feet. Also injured was Fireman John Billia, 38, of 303 Stevens avenue, who hurt his back in a fall. All three were taken to Jersey City Medical Center.

have dropped from about \$400,000,000 to some \$28,000,000. He predicted that the situation would become serious unless the country gets help soon.

So the Moscow-controlled government sends its envoys to Washington to ask for help. The significance of America's attitude is clear enough. She has no intention of weakening her position, or that of her Allies, by strengthening a Communist bloc which is making war on all non-Communist countries.

# BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

# Bishop Stamm Is Conference Speaker

Lemoine, Pa., May 5 (AP)—"Men and women are yearning for reality," Bishop John S. Stamm told nearly 200 delegates here Tuesday at the Central Pennsylvania conference of the Evangelical United Brethren church.

"They crowd our churches on Christmas, good Friday and Easter

because at that time we bring them in greater measure, perhaps, x x x the fundamental realities of our faith."

The conference re-elected Rev. J. H. Fleckenstein, York, as secretary at the opening session. Revs. P. A. Werner, Red Lion; B. F. Heiser, Baltimore, and J. F. Diehl, Milton, were named assistant secretaries.

The conference continues through Saturday morning.

Washington, May 5 (AP)—Three sponsors of legislation to grant the states \$300,000,000 annually for school education have predicted

the Senate will turn down any major change. But the forecast—by Senators Taft (R-Ohio), Elbert Thomas (D-Utah)

and Aiken (R-Vt.)—was challenged by supporters of an amendment by Senator Lodge (R-Mass.)

Michigan State's 1948 football team ranked fourth in the nation in total offense with an average of 402.7 yards per game.

## JUDGE GROSS IS SPEAKER AT ELKS BANQUET

Approximately 200 Elks attended the annual dinner in honor of outgoing and in-coming officers Thursday evening at the Elks' home on York street at which Judge Harvey A. Gross, judge of the orphans court of York county, was the principal speaker.

Included on the program were the presentation of the two prizes offered by the Gettysburg lodge in a county-wide essay contest on "Why Democracy Works."

Miss Lois Jane Warren, Biglerville high school student, received a check for \$100 as first prize money, and Robert Hottle, Gettysburg high senior, was awarded \$50 as second prize money. The presentation of the checks was made by Judge Sheely on behalf of H. Earl Pitzer, chairman of the scholarship committee of the Elks.

It was revealed by Judge Sheely that 2,700 students entered essays in the state-wide contest and that Miss Warren's article has been ranked 12th in the state.

Miss Warren was also presented a \$25 check as first prize money for an essay on "The Place of the Motor Truck in Pennsylvania Industry," which was offered by the county group of the Pennsylvania Motor Truck association.

**Classifies Fraternities**  
Judge Gross outlined three kinds of fraternities, those of blood, those of wealth and those of the heart. He characterized the fraternity of blood as creating race hatred, jealousy and bigotry, leading to totalitarianism such as is found under Communism and Hitlerism. The fraternity of wealth leads to greed, avarice, selfishness and class hatred and is really based on the infamous theory of survival of the fittest, according to Judge Gross.

The speaker lauded the Elks and other fraternal organizations for belonging to the fraternity of the heart, where members learn to know and get along with other members. Fraternities offer the opportunity of building up friendships with the result that cooperation is made simple. Judge Gross concluded that if a person has good health and good friends he is in a fine state.

Glenn L. Bream, exalted ruler of the lodge, presided as toastmaster. Following the singing of one verse of "America," the pledge of allegiance was given and Dr. Fred Tilberg offered the invocation.

J. Donald Dillman, out-going exalted ruler, spoke briefly thanking members for the cooperation given him during his term of office.

New officers, directors and past exalted rulers were introduced to the group. Several visitors were also introduced.

The program was concluded with the singing of a verse of "God Bless America."

## ELKS TO HOLD MOTHER'S DAY RITES SUNDAY

Gettysburg Lodge No. 1045, Benevolent and Protective Order of Elks, will hold its annual Mother's Day exercises Sunday evening at 8:30 o'clock in the lodge room of the Elks home on York street.

The exercises are open to the public and all are invited to attend.

Dr. W. C. Waltemyer, of the Lutheran Theological seminary faculty, will deliver the Mother's Day address.

The Gettysburg high school choir of 56 voices, under the direction of Prof. Richard B. Shade, will sing several selections.

Attorney Richard A. Brown will give "A Tribute to Mother."

The complete program follows:

Opening ritual, Glenn L. Bream, exalted ruler; "A Tribute to Mother," Attorney Brown; "Bless Ye the Lord," by M. J. J. Ivanoff, high school choir; "Mother," by Theodore Morse, high school choir; ritual by lodge officers; Mother's Day address, Dr. Waltemyer; "Spirit of God," by F. C. Atkinson, high school choir; "The Lord's Prayer," by Albert Hay Malotte, high school choir; closing ritual by lodge officers.

The lodge committee in charge of arrangements includes Elmer W. Warren, chairman, Kenneth R. Dengler, John W. Fox, G. Noel Flynn and Daniel J. Wolff.

## Winners Of DAR Awards Revealed

The Gettysburg chapter of the Daughters of the American Revolution announced today the winners of the annual DAR essay contest for Gettysburg high school seniors and the Junior American history awards.

Miss Jean Waltemyer, daughter of Dr. and Mrs. W. C. Waltemyer, Springs avenue, is the first prize winner in the essay contest and Stuart Klinefelter, son of Mr. and Mrs. Myles Klinefelter, East Broadway, won second prize.

The essay topic was "An American Citizen's Rights and Responsibilities under the Constitution."

The Junior history prize winners are: First, Miss Anna Shryock, daughter of Mr. and Mrs. Luther Shryock, Chambersburg street, and second, Miss Nina Williams, daughter of Mr. and Mrs. Meader I. Williams, Buford avenue.

The prize essay will be read and the awards presented at the annual DAR assembly at the high school on Wednesday, May 18, when the Rev. Wallace E. Fisher, will be the guest speaker.

## MASONS HOSTS TO LADIES AT ANNUAL DINNER

Rev. Wallace E. Fisher, pastor-elect of Christ Lutheran church, addressed 170 members of Good Samaritan Royal Arch chapter No. 266 of Gettysburg and their ladies at the second annual Ladies' Night banquet at Trinity Reformed church Wednesday evening on the topic, "Building Anew: Building Afresh."

Rev. Mr. Fisher said that four years after the end of World War II, "the world is an armed camp with tomorrow unpredictable. Even the experts don't know what is going to happen."

## "BOB" WEILAND SELECTED BEST ACTOR AT H.S.

Robert Weiland, son of Mr. and Mrs. Glen Weiland, Carlisle street, was named Thursday evening as the "best thespian of the year" by the local unit of the National Thespian society.

Weiland was selected for his portrayal of parts in dramatic productions held at Gettysburg high school during the past year. The selection was announced as part of a program at which 18 high school students were initiated into the thespian society of the school. Weiland was one of the 18. The program was held in the high school auditorium with members of the faculty and parents of the members as guests.

**To Receive Pin**

Weiland, a senior at the school, had part in two plays during the past two years, "Date With Judy," and "Beauty and the Beast," as well as being in charge of lighting effects for plays during the last several years.

He will receive a pin, indicating that he was given the honor, at an assembly program to be held at the high school in two weeks.

## TWO SEMINARY ORGANIZATIONS NAME OFFICERS

The Grand Chapter of the Friends of Gettysburg Seminary, and the Alumni association of the seminary elected officers at meetings held at the local theological institution Thursday afternoon as part of the seminary week activities.

The alumni reelected Rev. J. Frank Fife, pastor of Holy Comforter church, Baltimore, and president of the Maryland Synod of the United Lutheran Church in America, as president of their association.

Other officers renamed by the alumni include: Rev. R. L. Sloop, pastor of the New Market, Va. Lutheran church, vice president and Rev. Paul H. Sheffer, Schaeffers-town, treasurer. All were for a third term.

**Elect New Secretary**

Named as secretary was Rev. Viggo Swenson, of Zion Lutheran church, Harrisburg, to succeed Rev. Ralph C. Robinson, pastor of St. Paul's Lutheran church, Spring Grove, who had served the constitutional limit of three terms.

The alumni voted \$300 additional to the alumni lectureship fund, bringing the total to \$4,133.50.

Dr. A. R. Wentz, president of the local seminary, told the group that there are 81 undergraduate students enrolled at the seminary at the present time.

## FRUIT EXPERTS TELL WORK OF LABORATORIES

The work of the South Mountain Fruit Laboratories at Arendtsville was outlined Thursday night to the Adams County Fruit Growers Association by Dr. Fred Lewis, Dean Asquith and Frank Hewettson, of the laboratories' staff, during the regular session of the growers held in the Biglerville high school.

All three told of how experiment after experiment is carried out in connection with various problems of fruit growing until some answer is found to the question of what to do about the subject. They also reported frequently discovering some fact related to other problems in connection with their experiments on a particular difficulty.

Tests so far have shown little value in spraying the ground to take care of spores on old fruit mummies, Doctor Lewis related. He also reported on bacteria spot on peaches in relation to the types of trees to be planted. Some varieties have proven much more susceptible than others, he pointed out. He also dwelt on the question of whether sulphur increases the susceptibility to frost injury.

**Cites Use Of Oils**

Asquith told of experiments started last fall on the question of how late oils can be used on peaches without injury. During the course of that experiment, he said, he found among other things there is a large difference between regular oil and superior oil and incidentally discovered that under certain circumstances there is better kill of ter-rapin scale when the oil and other materials are sprayed on with the spray wide open as compared with using a mist spray.

Hewettson told of his experiments in the relation between cultivation and freezing, temperature relations in connection with materials used in sprays, experiments in nutrition through fertilizers, cover crops and the like. He pointed out that one (Please Turn to Page 2)

## E. C. Williams Given Watch For Service

E. C. Williams, a veteran employee of the former Gettysburg Gas Corporation, now The Manufacturers Light and Heat Co. was welcomed Thursday into the Cumberland Chapter of the company's Quarter Century Club at a luncheon meeting at the All Ghan Shrine Club, Cumberland, Md.

R. R. Gilbert, manager in Elkins for Cumberland and Allegheny Gas Co. and the president of the Cumberland Chapter introduced Irving K. Peck, gas company vice president and general manager, who presented a Quarter Century Club watch to Mr. Williams.

The gold watch is engraved with Mr. Williams' name, length of gas company service, and the date of presentation.

Following the presentation, officers were elected.

**PLAN TWO CLINICS**

Orthopedic clinics to be held June 8 at Chambersburg and June 9 at Carlisle have been announced and persons in this area wishing to attend should contact their family physician. Dr. John R. Moore will be in charge of the diagnostic clinics to be conducted by the state.

## May Queen, Maid Of Honor

Miss Sara Jean Fuss, Reisterstown, Md. (left), will be crowned May Queen at coronation ceremonies Saturday afternoon at 1:30 in the memorial gardens on Gettysburg college campus. Miss Ruth Josephine Hoops, Metuchen, N. J. (right), will be her maid of honor. The coronation will be one of the highlights of the Mothers' Day week-end at the college.

## College To Welcome Mothers For Festive Week-End; Will Crown May Queen Saturday

Students at Gettysburg college will welcome their mothers for a gala Mother's Day week-end on the campus, which will include traditional ceremonies, the coronation of the May queen and other festivities on Saturday, and special church services in the Eddie Plank Memorial gymnasium on Sunday morning.

Saturday morning from 9 to 12 o'clock, the mothers will register in the lobby of Weidensall hall, and view classes. The May queen will be crowned in the memorial gardens at 1:30 o'clock, by Bea Eckman, last year's queen. The queen is Miss Sarah Jean Fuss and her Maid of Honor Miss Ruth Josephine Hoops.

Members of the court will include Anna Mae Mumma and Clara Mae Schaefer, seniors; Betty Lou Dinger and Jeanne Hankins, juniors; Mary Alice Hantrant and Virginia Saul, sophomores, and Pat Rhoads and Gerry Snively, freshmen.

**To Exchange Ribbons**

In the moving up exercises, all the girls will be in pastel evening gowns. The freshmen will exchange green ribbons for the sophomore red; the sophomores will receive the junior purple; the seniors will give up their gold bands to the juniors and will receive red carnations.

Trumpet fanfare and two little flower girls, Kathy McCarney and Jean Stipe, will announce the coming of the queen. She will preside over the two May Day dances performed by the freshmen, a Virginia Reel and a May Pole dance; the recognition of the new officers of Women's Student Government; and the presentation of the awards for scholarships, blazers, and intramural trophies.

On Saturday afternoon there will also be a baseball game and a track meet. From 3 to 5 o'clock there will be a biology and a visual education

## Town Experiences Hottest May 5 In 30 Years At 92

The mercury soared to 92 degrees here Wednesday afternoon to make the day the hottest May 5 here in 30 years. The last time a 92-degree temperature was recorded on that date was in 1919 although readings of 91 degrees occurred in 1928 and 1930.

The highest May temperature in local weather records was a 98 degree reading taken May 23, 1925.

As Gettysburgians mopped their brows again today, the temperatures soared in other parts of the state, but areas in Wyoming and Colorado shivered in wintry weather.

A few scattered showers during the night brought temporary relief for some sections of Pennsylvania, but the mercury climbed once more as the sun rose this morning.

**Snow In Wyoming**

Heavy clouds shrouded the mountains west and north of Gettysburg Thursday evening, there were flashes of lightning and distant thunder was heard, but the storm missed town.

An all-time record May was recorded at York Thursday, where the mercury reached 94 degrees. Williamsport also reported 94, while Harrisburg registered 93, Pittsburgh an unofficial 92, Lancaster, 91, Meadville, Reading and Wilkes-Barre 90, Altoona and Philadelphia 86 and Erie a "cool" 85.

Meanwhile, snow fell over parts of the southern Wyoming and eastern Colorado. Temperatures dropped in some sections of the snow belt to below freezing. Snow drifted along U. S. highway 30, stalling nearly 300 cars and trucks Thursday night.

exhibit on the third floor of Glatfelter hall. There will also be an exhibit in 301 Science hall, put on by the members of the Gettysburg Photography club, which includes students, Dr. C. A. Sloat, and local amateurs.

A comedy entitled "Evening Dress Indispensable" by Roland Pertwee will be presented on Saturday. Those taking part will be Sheila, Lucille Erdley, Alice, Enid Nelson; George, Sebastian Hafer; Geoffrey, Robert Bowen.

**Dr. Hanson To Speak**

The main program will be held in the gym at 8 o'clock on Saturday evening. The speakers will include Dr. and Mrs. Henry W. A. Hanson; Dorothy Hamme, representing the daughters; Phil Lightner, representing the sons; and Mrs. Arthur H. Hendley, who will speak for the mothers.

A brass quartet from the cupola of Old Dorm will announce the beginning of the church service which will be held on Sunday morning at 10:30 o'clock in the gym. This will include an academic procession, a sermon by Dr. Hanson, scripture and prayer by the Rev. Mr. Wallace E. Fisher, and several anthems by the Gettysburg College Choir.

Hannah Miller, chairman of the May Day committee, has been assisted by Ann Creutzburg, assistant chairman; Ruth Fortenbaugh, flowers; Eva Zinner, music; and Faye Nebinger, properties. In case of rain the exercises will be held in the Eddie Plank Memorial Gymnasium. Bob Singer, general chairman of Mother's Day week-end, has been assisted by Ed Richter, program chairman; and Bill Derrick, publicity chairman. Members of the committee are Barbara Foulkrod, Ann Fellenbaum, Ruth Shoemaker, Tom Gible, Mildred Walter, and Morris Prickett.

## Town Experiences Hottest May 5 In 30 Years At 92

The "heat wave" was due to continue, the weatherman said, through tonight and into Saturday, with more relief expected Saturday in the form of further showers. A mass of cool air from the western states moved into the central part of the country today, and the U. S. weather bureau said there was a possibility the heat would end over the eastern states by Sunday.

## Mrs. Paul B. Ramer Heads Mothers' Club

Mrs. Paul B. Ramer, Buford avenue, was elected president of the Mothers' club of St. Francis Xavier Catholic school Thursday evening at the final meeting of the organization for the current school year. The session was held in the social rooms of the parochial school.

Mrs. Charles Jacobs was named vice president, Mrs. Evelyn Knox, secretary, and Mrs. Raymond Unks, treasurer. The new officers will take over at the September session of the club.

Members of the group who served a Communion breakfast this morning to school children receiving Communion on first Friday included Mrs. William Bushman, Mrs. William Sundermyer, Mrs. Charles Hemler, Mrs. Unks, Mrs. Ramer and Mrs. Clarence Weitzel.

Following Thursday evening's meeting a social period was held with cards and refreshments. Mrs. Bushman, president, presided.

Lovely gifts for lovely mothers, all specially gift wrapped. Thomas Brothers, Biglerville.

## PASTORS URGED TO LEARN ABOUT PRESENT TRENDS

Ministers were urged to seek knowledge of the "movements that are shaping tomorrow, the labor unions" by the Rt. Rev. G. Bromley Oxnam, bishop of the New York area of the Methodist Church of America.

Speaking Thursday afternoon in the Church of the Abiding Presence on the Gettysburg Lutheran Theological Seminary campus, Bishop Oxnam, who is one of the six presidents of the World Council of Churches, pointed to English Socialism as an example of the power that can be exercised by ministers if they assume leadership in the organizations which are molding history.

**500 Hear Address**

"How much knowledge do you and I know today of the movements that are shaping tomorrow?" he asked in the course of his address to about 500 ministers and lay people present for the annual Seminary Week program at the local theological school. "It is sad to hear discussions of modern social trends by preachers."

"Do we know enough to face the Communist threat? It would be well for us to thoroughly study the major social movements. We must know the backgrounds that cause them."

"I know we are preachers of the Gospel. But what about the men we are preaching to."

"Why is British labor not Marxist? It is because practically all of the early English labor leaders were lay Methodist preachers. When Wesley was preaching to the men in the coal mines, the unions formed. The lay teachers he had taught to speak, to study, to organize and to seek after justice where the natural leaders for the labor unions that were (Please Turn to Page 2)

## CHURCH WOMEN NAME OFFICERS AT FELLOWSHIP

Mrs. Howard S. Fox, South Stratton street, was renamed president of the Gettysburg Council of Church Women at the May fellowship dinner meeting of the group held at the Presbyterian church Thursday evening. Mrs. Fox has served as president for two preceding terms.

Named as vice president was Mrs. Herbert Schmitt, who succeeds Mrs. Edgar A. Crouse. Other officers, all of whom were re-elected, include Mrs. Ralph Barley, recording secretary; Mrs. Walter A. Keeney, corresponding secretary and Mrs. Luther McDonnell, treasurer. The chairman of the nominating committee was Mrs. Fred Troxell.

**Conference Report Given**

Mrs. Fox presided at the business session and also served as toastmaster for the dinner. She gave a report of the 16th annual conference of the Women's Department of the Pennsylvania Council of Church Women held in Altoona last week. Mrs. C. C. Culp, chairman of a committee for the revision of the by-laws for standing committees, reported on the change, which was unanimously adopted.

Reports of activities for the past year were given by Mrs. Raymond Wieder, chairman of World Community Day committee; Mrs. Milton R. Remmel, chairman of World Day of Prayer and Mrs. Ralph R. Gresh, chairman of the May Fellowship dinner meeting. Mrs. Fox announced that Friday, November 4, is the date for the World Community Day meeting for 1949. The project is named "A Project of Pieces."

Fifty women from the various churches, members of the council, attended the dinner meeting and an additional 15 women arrived for the program and business session. Mrs. Wallace Fisher gave the grace (Please Turn to Page 2)

## William R. Calaway Killed In Accident

William Ronald Calaway, 56, of Paoli, who formerly resided on East Berlin R. 2, where he conducted a real estate office, was fatally injured this morning at 12:35 o'clock in Wrightsville when a car crashed into a parked tractor trailer.

Mrs. Calaway is reported to have been driving east along the Lincoln highway when the car crashed into a tractor trailer parked on the south side of the highway where the driver, Henry J. Miller, 21, York, was taking a nap.

Mr. Calaway was killed instantly. Mrs. Calaway was removed to the Columbia hospital where her condition was reported as "about fair."

**FRACTURES COLLARBONE**

Suzie Joann Shultz, daughter of Mr. and Mrs. Lester Shultz, Orrtanna R. 1, who recently fractured her collarbone, is reported getting along nicely at her home.

## AAUW Members At Easton Convention

Five members of the Gettysburg branch of the American Association of University Women were in Easton today for the annual state AAUW convention which continues through Saturday.

Mrs. John S. Rice is at the convention as state legislative chairman and Mrs. Donald M. Swope and Miss Rita Longenecker are representing the local chapter as its official delegates. Additional local members in attendance are Mrs. L. P. Kookken and Miss Virginia Troxell.

Sessions are being held at the Hotel Easton and the theme is "Woman's Part in this Changing World." In addition to roundtable discussions and officers' reports, there will be talks by Rachel Conrad Nason, who serves with the human rights commission of the U. S. State Department; Mrs. L. Ricossa of Mexico, a Latin American professional woman in this country under a study exchange plan sponsored by the two governments; and Dr. Edith Batho, president of the British Federation of University Women.

## NATIONAL AND STATE HEADS OF DAR HERE

Three charter members of the Gettysburg chapter of the Daughters of the American Revolution were present at the 45th anniversary dinner at the Hotel Gettysburg this noon at which the chapter entertained a number of state and national officers and former officers.

The Gettysburg chapter was formed in November, 1904. Charter members at today's dinner were Mrs. J. Kerr Lott, Mrs. Homer Young and Mrs. Donald P. McPherson.

Among the national officers here for the occasion were Mrs. Edwin Stanton Lammers, Dallas, Tex., recording secretary general; Mrs. Van Court Caruthers, Malvern, Pa., historical general; Mrs. Benjamin Ramare Williams, Butler, Pa., vice president general; Mrs. Harper D. Shepard, Hanover, honorary vice president general; Mrs. Joseph G. Foreney, Lancaster, first vice president general and past state regent; Mrs. William Langston, York, national chairman of the memorial bell tower at Valley Forge committee.

**State Regent Here**

Miss Alice Black, regent of the Gettysburg chapter, and other chapter members welcomed the distinguished guests, who also included:

Mrs. Harlow B. Kirkpatrick, Pittsburg, state regent; Mrs. Thomas Henry Lee, Roxborough, Pa., state vice regent; Miss Hazel Glessner, York, state recording secretary; Mrs. Mary C. Cameron, Wellsboro, state treasurer; Mrs. H. Watson Davison, Greencastle, state registrar; Mrs. Clayton E. Bilheimer, Gettysburg, state director of the central district.

Mrs. Clinton D. Higby, Erie, Pa., former state vice regent and chairman of the resolutions committee; Mrs. William G. ## REV. DOYLE WILL GIVE LINCOLN'S SPEECH MAY 30

The Rev. Willis R. Doyle, rector of Prince of Peace Episcopal church here will deliver Lincoln's Gettysburg address at the Memorial Day exercises to be held Monday, May 30, in the National cemetery here, the committee in charge decided at a meeting Thursday evening at the court house.

Dr. J. Walter Coleman, superintendent of the Gettysburg National park, reported that the park service plans again to place approximately 4,000 small flags on the veterans' graves in the cemetery.

Plans for the parade were outlined by LeRoy H. Winebrenner, marshal, with the procession to follow much the usual pattern for Memorial Day parades. The units will form at the Meade school and march to Center square and from there will march south on Baltimore street to the cemetery.

**Children To March**

The school children, as usual, will gather on High street and join the parade at Center square before marching to the cemetery where the expected 1,000 youngsters will strew flowers on the graves of the Civil War dead.

Following the custom started last year, the Girl Scouts, Boy Scouts and home economics groups are asked to carry flowers and strew them on the graves of the approximately 500 World War I and II veterans buried there.

The Sons of Veterans Reserve will be present in Civil War uniforms to guard the cemetery during the period preceding the strewing of flowers.

## MOTHERS AND DAUGHTERS AT JOINT DINNER

One hundred and thirty-four women and girls attended the annual Mother and Daughter banquet sponsored by the women of the Methodist and Lutheran churches at Bendersville Thursday evening in the Bendersville Community Hall.

Mrs. William B. Wilson, who served as toastmistress, read "A Parent's Prayer," following which the group joined in reciting The Lord's Prayer.

Mrs. Jerry Foreman and Mrs. Luther Horrick, accompanied at the piano by Mrs. Robert Deatrick, sang "You are a Wonderful Mother" and Miss Joan Coble and Miss Ardis Jones sang "Love's Old Sweet Song."

**Prizes Are Awarded**

Mrs. Glenn Fetters gave a reading, "Somebody Cares," which was followed by a recitation by Miss Mary (Please Turn to Page 8)

## \$257 DONATED TO CANCER FUND IN EMMITSBURG

A total of \$257.31 has been contributed thus far in the Emmitsburg area to the American Cancer Society's 1949 fund-raising campaign, it was announced today by Dr. D. L. Beagle, Emmitsburg, the local chairman.

Solicitors for the cancer drive in Emmitsburg who are assisting Dr. Beagle include: Arthur Elder, John Roddy, Jr., Mrs. Donald Stoner, Mrs. Vernon Keiholtz, Miss Anna Bentz, Mrs. Merle Keiholtz, Mrs. Andrew Eyster, Mrs. B. J. Ogle, Mrs. Norman Flax, Mrs. Harry Flax, Mrs. Harry Boyle, Mrs. Herbert Rogers, Mrs. B. J. Eckenrode, Mrs. Robert Pitzer, Mrs. Thornton Rodgers, Mrs. Richard Rosesteel, Mrs. Guy Baher, Mrs. Earl Kugler, Mrs. Roy Sanders, Mrs. Clarence Hahn and Miss Mary Teresa Houck.

Heading the Frederick county drive is Attorney James McSherry, Frederick.

A door-to-door canvas is under way in Emmitsburg and organizations are being asked to contribute to the fund. In his appeal Dr. Beagle said:

"We must all unite in this great humanitarian action to stamp out the horrible disease which is the No. 2 killer of millions of American citizens annually. This killer has no special class on which it wreaks its malicious vengeance, but attacks both young and old, rich or poor alike."

Coin deposit receptacles have been placed in the following places: Myers liquor store, Crouse's Houck's clothing store, American store, Palm lunch, Houser's drug store, Hoke's hardware store, Roger liquor store, St. Joseph's high school, Emmitsburg high school, St. Euphemia's parochial school and Dr. Cadle's office.

## Author Known Here Is Luncheon Guest

Miss Jean Van Evera, who visited here last Christmas with her cousin, Mrs. Lawrence E. Oyler, Baltimore street, wife of Gettysburg's postmaster, was one of the guests of honor at the Book and Author luncheon held by The Philadelphia Inquirer in Philadelphia on Monday.

Miss Van Evera, author of "How to Be Happy While Single" and attractive former reporter for The Kansas City Star, said in a talk at the luncheon that "single life is not a static time but an opportunity for enjoyment and achievement."

A granddaughter of the late Solomon Hartman of Adams county, Miss Van Evera is a daughter of John and Susan (Hartman) Van Evera of Kansas City. Her father is in the real estate business. She attended Northwestern university and from 1935 to 1941 worked on the Kansas City Star. Later she worked in Tucson and San Francisco before going to New York. She is now in Washington. Free lance writing for magazines was followed by her recent book, chapters of which appeared recently in Cosmopolitan and Good Housekeeping. She also has done work in advertising and radio.

## Women Golfers Will Hold Ladies' Day

Ladies' Day will be inaugurated for the summer season at the Gettysburg Country club next Tuesday. A blind bogie tournament will be held in the morning at 9:30 o'clock. An important meeting will be held at the clubhouse at 3:30 p. m. for women interested in golf, swimming, bridge and other activities.

All women members interested in golf are urged to attend.

## DIRECTORS TO MEET

The May meeting of the directors of the Adams County Free Library association will be held this evening at the main library, Carlisle street.

## Makes Bomb As Prank; Loses Hands

New Brunswick, N. J., May 6 (AP)—Some Rutgers university freshman chemistry students decided to concoct a bomb in a paper drinking cup yesterday as a prank.

The instructor was out of the room for a moment, and it seemed like fun.

The bomb blew up suddenly. As a result, Anthony J. Iannarone is without hands today.

The 18-year-old student was reported in "fair" condition at St. Peter's hospital today. Both hands had to be amputated last night. He also suffered possible chest injuries.

Two other students were slightly hurt in the blast. The university said only slight damage was done to the laboratory.

## 27 SENIORS TAKE STATE EXAMS

Twenty-seven high school seniors of Adams county schools took the state scholarship examinations at the Gettysburg high school this morning, under the direction of Charles I. Raffensperger, assistant county superintendent of schools.

One scholarship, which provides \$100 a year for four years in any accredited college, university or teachers' college in the state, is awarded annually to each county in the state.

Those from Adams county schools who took the state exam this morning are:

Gettysburg high school: Nancy Baker, Barbara Bryson, William Bushman, Clare Carroll, Jane Dear-doff, Lorraine Hartman, Patricia Killalea, Stuart Kleinfelter, Sue Kuykendall, Nancy Ogden, Doris Rothaupt, William Snyder, Jeanne Waltemeyer, Robert Weiland and Bruce Westerdaal.

East Berlin high school: Glenn Miller, Charles Sanders, Gloria Albright, John Sheffer, Victor Enoch and Archie Bushey.

Biglerville high school: Oscar Spicer, Thomas Taylor and Lois Warren.

Littlestown high school: Patricia Shull and Albert Stock.

Delone high school (McSherrytown): Robert F. Chrismer.

## SENATE PASSES EDUCATION AID

Washington, May 6 (AP)—The Senate delivered a \$300,000,000 Federal aid to education bill to the House today for the second year in a row. The measure swept through the Senate last night by a vote of 58 to 15 after all efforts to amend it were beaten down.

It would authorize \$300,000,000 to be appropriated annually to help the states pay teachers salaries and other school operating expenses. Many schools have lost teachers to better paying employers, an argument advanced by the bill's supporters.

By providing for the largest per pupil allotments to the poorest states, it is intended to more nearly equalize education opportunities throughout the nation.

An almost identical bill passed by the Senate last year was pigeonholed by a House committee. This year's measure, part of the social welfare program for which President Truman campaigned last fall, had strong bipartisan support in the Senate.

In the Senate last night three Democrats, Senators Byrd (Va.), Connally (Tex.) and O'Connor (Md.), voted with 12 Republicans against the bill. Thirty-six Democrats and 22 Republicans voted for it.

## East Berlin Man Held For Drunken Driving

The driver of an automobile that reportedly struck and damaged two other cars at Beaver and Philadelphia streets, York, Thursday afternoon, was arrested by Sergeant Charles B. Swigert, and charged with drunkenness and disorderly conduct. He will appear for hearing in police court today.

The arrested man is H. C. Kauff-man, 53, of East Berlin. Sgt. Swigert said Kauffman was driving west on Philadelphia street, turned right into Beaver and hit a car driven by Roman M. Lease, York R. D. 3. Kauffman then swerved his car, Swigert said, and rammed into a parked car owned by Joseph Arigo, York. The left front fender and apron of Arigo's car were damaged to an estimated extent of \$50.

Police estimated damage to the Lease car and Kauffman's car at \$25 each.

## OBSERVE ANNIVERSARY

Mr. and Mrs. James McGlaughlin, North Stratton street, are observing their 38th wedding anniversary today.

## MERCERSBURG SYNOD TO MEET NEXT TUESDAY

The eleventh annual meeting of the Mercersburg Synod of the Evangelical and Reformed church will be held Tuesday, May 10, to Thursday, May 12, in Grace Reformed church, Shippensburg, the Rev. Porter W. Seiwel, pastor. The program just released shows a number of the ministers and elders of Adams county have been assigned to important committees.

Five of the ministers have been assigned to committee chairmanships. They are: the Rev. Nevin R. Frantz, Arendtsville, overtures; the Rev. Dr. Howard Schley Fox, Gettysburg, general synod; the Rev. Archie C. Rohrbaugh, New Oxford, nominations; the Rev. Thomas M. Burns, Jr., Fairfield, ministerial pensions and relief; and the Rev. Frank E. Reynolds, Littlestown, auxiliary organizations.

As general synod committee chairman, the Rev. Dr. Fox will present a report on the recent meeting of the general synod on the union with the Congregational Christian churches which he attended in Cleveland. Doctor Fox will be accompanied to the Shippensburg meeting by John D. Eckert, W. Preston Hull and Thomas J. Whimbrenner.

## Serve On Committees

Other ministers and several elders have been assigned places on other committees. The Rev. Arthur Leeming, superintendent of Hoffman orphanage, Elder Harry T. Baker, Hoffman orphanage, and Elder John D. Teeter, Gettysburg, will serve on the Christian Education committee. Two former Adams county pastors are also on that committee. They are Rev. Richard E. Shaffer, Hallam, formerly of East Berlin, and the Rev. Albert E. Shenberger, Carlisle, formerly of Littlestown. The Rev. Mr. Shenberger will also serve on the World Service committee.

The Rev. John C. Brumbach, Littlestown, will serve on the committee of Higher Education; the elder from the Arendtsville charge has been assigned to the committee on auxiliary organizations and an elder from Trinity church, Gettysburg, has been assigned to the committee on business management.

The Rev. Arthur Leeming will also serve on the committee of the Messenger, and the Rev. Frank E. Reynolds will also serve on the committee of the treasurer's report and finance. It has also been announced that the Rev. Mr. Reynolds will become chairman of the same committee in 1950.

Officers of the Synod are: the Rev. Irvin A. Raubenholt, York, vice-president, the Rev. James W. Moyer, Mercersburg; secretary, the Rev. John C. Sanders, Marion; treasurer, the Rev. Dr. E. O. Keen, York; and lay member, Mrs. Charles R. Todd, Carlisle.

## Train Bandits Get 20 Years In Jail

Fairmont, W. Va., May 6 (AP)—The two young wild west bandits from Ohio who boldly held up a Baltimore and Ohio passenger train two months ago have each been sentenced to 20 years in jail.

Federal Judge Harry E. Watkins Wednesday handed down the identical maximum sentence to Luman Ramsdell, 23, and George L. Ashton, 20. Both are from Youngstown, Ohio.

They were charged with and admitted halting the B. & O. "Ambassador" near Martinsburg, W. Va., the night of March 9 and robbing some 100 fellow passengers of about \$1,000. They were captured the next day in Washington, D. C.

## QUADRUPLETS DOING NICELY

New York, May 6 (AP)—The new members of the Collins family—all four of them—were doing nicely today.

That was the report from Lebanon hospital, where Mrs. Ethel Collins, 37, Wednesday gave birth to two boys and two girls.

The quadruplets weighed a total of 17 pounds and 14 ounces at birth. Mrs. Collins had been expecting triplets. When she learned there were four instead of three babies, she murmured:

"My, how wonderful."

The father, Charles Collins, 29, a brokerage office clerk, got the news by telephone. His comment: A long whistle.

Quadruplets occur about once in every 676,000 births. An average of three sets a year are born alive in the United States.

The hospital said all four babies were delivered within five minutes. First born was a four pound, 15 ounce boy, then followed in order a four pound, three ounce girl; a five pound, five ounce boy and a three pound, seven ounce girl.

## LARGE SUM FOR PA

Washington, May 6 (AP)—Pennsylvania would be entitled to receive \$10,120,000 under the Federal Aid to Education bill, the Senate Committee on Labor and Public Welfare said yesterday. The allotment is based on annual income payments made in the state and the number of school-age children.

## Upper Communities

A reorganization meeting of the Biglerville 4-H club will be held next Tuesday evening at 7:30 o'clock at the home of the local leader, Mrs. Kenneth Guise. Old members of the club and all girls interested in joining are invited to be present. The membership is open to girls from 6 to 20 years of age, inclusive.

**Mr. and Mrs. Coffman Shenk.** Biglerville R. D., returned Tuesday from Denbigh, Virginia, where they had been called by the death of Mr. Shenk's father, A. P. Shenk.

The youth group of Aspers will present a special program Sunday evening at 7:30 o'clock at Christ Lutheran church. Included on the program will be a play, "Follow the Glean," and music by the Biglerville high school octet.

**Mr. and Mrs. Richard Trostle.** Arendtsville, entertained at dinner recently Mr. and Mrs. Robert Currens, Mr. and Mrs. Glen Currens, Mr. and Mrs. Glenn Miller and son, Michael, Shippensburg; Mr. and Mrs. Dorsey Martz, Mr. and Mrs. Joseph Kasper, Harrisburg; Mr. and Mrs. Harry Conover and sons, Bruce and Charles, and Miss Doris Jean Martz, Mt. Holly Springs, and Glenn Gross, Newville.

The Rev. and Mrs. Hiram Trostle and son, Ronald, and daughter, Judy, Lykens, were dinner guests Thursday evening of their uncle and aunt, Mr. and Mrs. Oscar C. Rice, Sr., Biglerville.

**Mrs. Richard Trostle, Mrs. Earl Trostle** and Mrs. Dorsey Martz spent a day this week in York.

## CHURCH WOMEN

(Continued from Page 1) and Mrs. Guyon E. Buehler was in charge of a devotional period. Instrumental music was under the direction of Edwin S. Longanecker, a member of the Gettysburg high school faculty who also accompanied the artists.

## Close With Play

The musical program included a violin ensemble comprising the members, all students at the high school: Doris Moser, Nancy Lighter, Jean Mountain, Doris Miller, Nancy Britcher and Carol Congraton. Mary Evans and Janey Carey, also high school students, presented a flute duet. Mrs. Howard J. McCarney, Gettysburg, presented a vocal solo and was accompanied by Miss Alice Snyder. An offering, dedicated by Mrs. Gresh, will be given to a council project, aiding the migrant worker in Pennsylvania.

The program closed with a play, "The Citadel of Faith" which was directed by Mrs. Forrest Craver. Members of the cast were William Pensyl, Mrs. Charles Polley, Mrs. Remmel, Mrs. Lila Craig, Miss Eleanor Wickerham and Robert Dillman. Spring flowers and candles were used as table decorations in the dining room which was under the supervision of Miss Ruth McIlhenny. Mrs. Richard A. Brown was in charge of the kitchen committee who served a chicken patte dinner.

## NATIONAL AND

Grabmeyer, Harrisburg, former regent of the Harrisburg chapter; Mrs. Edward P. Diggs, former regent of the Anne Arundel chapter of Maryland.

Mrs. D. C. Jacobs, of Johnstown, a former member of the Gettysburg chapter, was also present.

## Birth Announcements

Mr. and Mrs. Lewis S. Smith, McSherrytown, announce the birth of a son, Robert Lewis, Tuesday.

A daughter was born at the Warner hospital this morning to Mr. and Mrs. Eugene E. Strausbaugh, Malvern.

Mr. and Mrs. Wilson H. Dague, Littlestown, announce the birth of twin sons at the hospital Thursday.

## ATTENDING GRADUATION

Mr. and Mrs. William Wavell, Mr. and Mrs. Robert J. Weikert and daughter, Rosanna, Gettysburg, are spending several days in Philadelphia attending the graduation exercises of the Hahnemann hospital School of Nursing where Miss Josephine V. Weikert, daughter of Mr. and Mrs. Weikert, is a member of the graduating class. She will continue her work at the hospital for the present.

The second film on the life of the Apostle Paul will be shown Sunday evening at 7:30 o'clock at the Gettysburg Methodist church. The film portrays the days after his Damascus road experience and includes his later escape from that city by means of a basket lowered outside the city's wall.

## FRUIT EXPERTS

(Continued from Page 1)

of the things showing up in the tests is a question of whether ladino is suitable in cherry orchards.

Because of the nature of the experiments, the fact that some materials act differently according to varieties the experiments cover long periods of time, Hewetson pointed out.

## Discuss Disease Insects

Dr. R. S. Kirby and J. O. Pepper, state college extension specialist, discussed the disease and insect situation. Scab seems to be the principal disease problem, according to Doctor Kirby, who reported finding the first scab in the county on April 28. Due to the hot weather there is danger of lime sulphur causing burn, Kirby pointed out. He recommended those with a scab problem to put on a wettable sulphur spray now to hold the scab and then use lime sulphur when cooler weather prevails because of the back action lime sulphur has in killing scab.

Kirby added a word of praise for the work of Adams county orchardists, stating that "Adams county orchards have less scab than orchards elsewhere."

Pepper reported that the majority of the red mite eggs are hatched and said he had found one orchard where there are already 40 mites per leaf and another where there were eight mites per leaf. In both orchards no spray had been applied for protection against mites.

## Codling Moth Appearing

Curculio is "really boiling out," the extension specialist reported, and "codling moth may start hopping this week-end." Lead arsenate seems to be "doing the job" in control of red banded leaf roller where lead arsenate was applied in the pink spray, Pepper added.

Both held that the first cover spray will be earlier this week and notified the growers that their next spray letter will probably be coming out next week.

Harry S. Stoner, Orrtanna R. D., president of the fruit growers, presided, with about 200 present. The next meeting will be held June 2.

forming. And they left their stamp on Socialism in England."

Bishop Oxnham's address was one of several activities in connection with Seminary Week held Thursday afternoon. The program closes this afternoon with the last of the talks by various speakers.

## Nationalism Too Small

Because the church deals with absolute values, it can "never identify any economic system with the gospel," Bishop Oxnham said in this morning's talk. At the same time he pointed out that "it is a duty of ministers to judge all economic systems in the light of religion."

"How can we build a Christian society when we say self-interest must be the motivating force of our economy?" he asked. "The preacher must so proclaim the ideals of Jesus that the people in the pews, the engineers and doctors and workers can carry out into life, into the state, those ideals."

"Christ has taught that men and not things are the goal of social living. He has taught love and brotherhood, the solidarity of the human family. We must learn that in certain areas the ideal of self-interest is not enough, that we must learn to work together—to conserve our topsoil as an example. Our churches must learn to join hands in cooperation, not compete for souls, which is a contradiction."

During his talk he asked the group, "When will the world learn that ideas of nations are too small; that we must take the same step our forefathers took when they united the 13 states into the United States and take the next step up to world government?"

# Hummel, Erb Co-Recipients Of Beachem Award; Harman Talks

R. Eugene Hummel, Harrisburg, and Joseph E. Erb, Hanover, were named co-winners of the Beachem Award for athletic ability, scholarship and Christian character at Gettysburg college's annual "G" dinner at Huber hall Thursday evening.

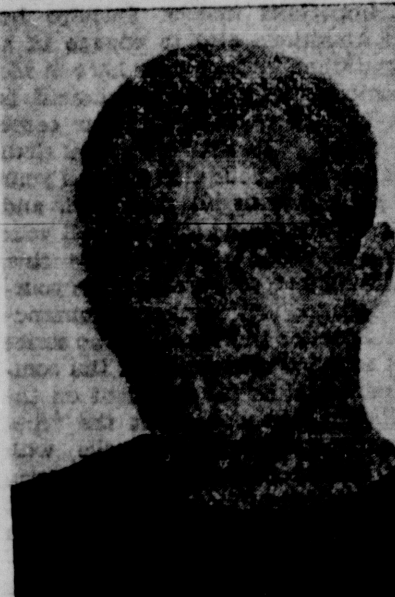

Harvey Harman, head coach of football at Rutgers university, told the nearly hundred athletes and coaches, "the real reason you want to do well at Gettysburg is for your buddies; you don't want to let them down. That letting you do something for somebody else is worth all the trouble you go to."

Hummel, who plays football and baseball, was an outstanding gridder for Coach Hen Bream for the past three years. He was named to the Associated Press' second All-State football team at guard for two consecutive years. In baseball Hummel is also outstanding. He has been leading the team in hitting this year in addition to making some difficult catches in center field. He is a member of Sigma Chi national social fraternity.

Erb is well known for his wrestling ability throughout the east. During the recent Middle Atlantic wrestling championships, Erb captured the championship in the 136-pound class. During the past year he has been president of the Alpha Tau Omega national social fraternity.

Dr. Henry W. A. Hanson served as toastmaster and paid tribute to the athletic director and coaches. He introduced Athletic Director Charles Kennedy of Dickinson and Weston Overholt, one of Dickinson's finest athletes of the year.

After the coaches presented the athletes with their certificates for participation during the past year, Athletic Director C. E. Bilheimer gave the Beachem award. Charles Beachem, a graduate of Gettysburg college in 1925, returned to Gettysburg as first alumni secretary in 1929. He died in 1937 after making a host of friends at the college and in the town.

Joe Erb and Geno Hummel share Beachem Award honors.

# YANKS KEEP UP FAST PACE TO TRIM CHI-SOX

By BEN PHILGAR  
(Associated Press Sports Writer)  
Only a couple of weeks ago almost anybody could have given you half a dozen gilt-edged reasons why the New York Yankees would be lucky to finish in first division.

Even today most of the reasons would look legitimate; Joe DiMaggio out indefinitely; Charlie Keller sidelined; Bob Porterfield hurt; a patched up infield; a shortage of good rookies.

So what happened?  
The Yanks jumped away to their fastest start in ages. They have won 13 of their first 16 games. That gives them a three game edge over Cleveland and a six-game bulge over Boston. And, as most every prophet told you, those are the clubs that are supposed to fight it out for the pennant.

The high octane get-away is faster, so far, than the high-flying Yankee clubs of 1928 and 1939, which won 40 of their first 50 and then coasted home with the flag.

Home Run Fence Down  
At Chicago yesterday the White Sox took down their portable home run fence but the Yanks got a legitimate circuit clout out of reliable Tommy Henrich and whipped the Sox, 7-5.

Allie Reynolds wobbled to his second victory, although he was lifted in favor of Joe Page at the start of the seventh. It was Fireman Joe's eighth appearance in 16 games. The Yanks got 12 hits off an assortment of three Chicago pitchers, with starter Billy Pierce taking the loss.

In other American League action yesterday Cleveland whipped Boston, 7-3, as Bobby Feller won his first game; Detroit edged Philadelphia, 6-5, and Washington handed St. Louis its sixth straight loss, 5-3, in a night game.

Feller gave up six hits, including homers by Ted Williams and Bobby Doerr, but he said the shoulder pain that sidelined him after two innings on opening day was gone.

A two-run homer by Catcher Aaron Robinson, in the fifth inning, produced the runs Detroit needed to down the Athletics. Ted Gray, who was relieved by Dizzy Trout during a Philadelphia uprising in the seventh, was the winner, his first success of the year. Joe Coleman went all the way for the A's for his third loss against two victories.

Three singles and a couple of Brownie errors enabled Washington to come from behind in the eighth inning to nip St. Louis. It was Mickey Haefer's triumph of the year. Clyde Vollmer drove in three of the Washington runs with a homer and a single.

Home runs decided all three of the National League contests. The New York Giants edged Pittsburgh, 3-2, in 10 innings; St. Louis bested Philadelphia, 3-2, and Brooklyn squeezed by Cincinnati, 7-5.

Johnny Mize parked one of Murry Dickson's slants in the upper right field stands at the Polo Grounds for the 300th home run of his Major League career to win the Giants' game.

Ron Northey picked the ninth inning for a 2-2 game at Philadelphia to hit his first home run of the year for the Cardinals. The poke broke the Phillies' six game winning streak and gave George Mauer his first victory. The Philadelphia runs came on homers by Andy Seminick and Bill Nicholson. Hank Borowy was the loser.

Four of the 16 hits in the Cincinnati-Brooklyn home run derby went all the way, but the one that made the final difference was poked by the Dodgers' Billy Cox with two on in the eighth inning. Gil Hodges got the other Brooklyn round tripper and Virgil Stallcup and Hank Sauer homered for Cincinnati.

The Chicago Cubs and Boston Braves weren't scheduled.

# Sports Roundup

By HUGH FULLERTON, Jr.  
New York, May 6 (AP)—Someone said it was the end of an "area"—a pronunciation favored on Jacobs' Beach—and it was. . . . A little over 20 years ago Tex Rickard died and that was the end of one era in boxing—the flamboyant, noisy "golden" era marked by the rise and decline of Jack Dempsey and Gene Tunney as champions. . . . Tunney's retirement in 1928 and Rickard's funeral, which had all the quiet dignity of a circus parade, some six months later brought it to a definite end. . . . Yesterday the Mike Jacobs-Joe Louis era came to a quieter, less definite end. . . . Louis retired last summer and became a promoter himself. . . . Yesterday "Uncle Mike," beset by illness, sat almost wordlessly in his old office and listened while ruddy-faced John Reed Kilpatrick gave out the announcement that meant Mike's retirement. . . . Mike didn't look happy about it; his right arm, virtually paralyzed since he was stricken in 1946, rested on the arm of his chair and he used his left to shake hands with old friends in the newspaper business. . . . "There's no real change. Mike always has been associated with us and will continue. Right now he's going to rest and get well," Kilpatrick said. . . . "I'm going to get better," Mike corrected. "Right now I'm going back to Rumson."

ISBELL RINGER  
Bob Ingalls, Navy line coach, still gets a chuckle out of telling how Don Hutson caught a short gale play when they both were playing for the Green Bay Packers. . . . As Bob tells it, three men were covering Hutson as he raced along parallel to the goal line. . . . To escape them, Don caught the goal post with both hands, swung himself completely around it and headed in the opposite direction to make the diving catch of Cece Isbell's flip. . . . Returning to the huddle, Hutson remarked: "Cece, watch how much you lead me on those passes."

LEAVE US NOT TAKE OFFENSE  
After Washington's slugger belted out ten "Chinese" home runs on a two-day visit to Chicago, the White Sox tore down the interior fence built to increase homer production. . . . They had to do it before the visiting teams did it for them.

Eastern League  
(By The Associated Press)  
The Eastern league flag fight tightened up today behind the Albany Senators and Elmira Pioneers. The pace-setting Senators took an 11-1 pasting at Utica last night in a game halted by rain after seven frames. Elmira was edged, 4-3, at Scranton but hung on to second place, one game behind Albany. In the only other game, Wilkes-Barre routed Williamsport again, 10-4, by virtue of two more "big" innings against the tamed Tigers. Hartford at Binghamton was rained out.

Bill Norman's Wilkes-Barre Indians moved to within half-a-game of Elmira in second place, Scranton was within the same distance of first division.

Utica's explosive win over Albany—the Blue Sox's second win of the season—actually put the Sox half-a-game ahead of Williamsport. But due to a percentage point freak, the Uticans remained in the league cellar.

Cycle Races Sunday At Williams Grove  
Williams Grove, Pa., May 6—Already including many of the top riders in the country, the entry list for Sunday's motorcycle races on the half-mile Williams Grove Speedway continued to swell today with numerous additional entries, indicating that well over 60 cyclists will be on hand to compete in an action, speed-packed program under sanction of the American Motorcycle Association.

Billy Huber, Reading, was among the latest top-flight daredevils of the two-wheelers to turn in an entry. A popular favorite at speedways throughout the country, Huber is one of the youngest riders in the country in the youngster class.

Local Horse Shoe Team Is Organized  
The newly-formed Gettysburg Horseshoe team will engage in its first match Sunday evening at 5:30 o'clock when Hunterstown is met on the pitching court located at Kerigan's paint shop, East Middle street.

Lights will be installed for future matches which will be held at night. Matches have been arranged with teams from Carlisle, Hanover, Waynesboro and McSherrystown. Other teams will be scheduled.

Members of the local team include Eddie, Jimmy and "Cap" Kerrigan, Amos Starry and Dick Thompson.

Yesterdays Stars  
(By The Associated Press)  
Batting—Johnny Mize, Giants, broke up game with 10th inning home run off Murry Dickson to down Pittsburgh, 3-2.

Pitching—Bobby Feller, Indians, came back after two weeks absence with shoulder injury to stop Red Sox, 7-3, for first win of season.

# MAC MEET WILL BE HELD HERE ON MAY 13, 14

Gettysburg college will play host to the 37th annual Middle Atlantic Collegiate Track and Field Association championships May 13 and 14 with over 200 athletes competing from 19 member schools.

Trials and final running events are scheduled for Friday afternoon beginning at 3:30 while the field trials and finals will be held Saturday afternoon at 1:30.

St. Joseph's is the defending champion having captured the title in 1948 at Lafayette. Other schools which will be represented include: Albright, Alfred, Bucknell, Delaware, Dickinson, Drexel, Franklin and Marshall, Gettysburg, Haverford, Juniata, Lafayette, LaSalle, Lehigh, Muhlenberg, PMC, St. Joseph's, Swarthmore, Ursinus, and Wagner. Johns Hopkins and Washington College, members of the association, have declined in order to participate in the Mason Dixon meet which conflicts this year.

Gettysburg college will also hold brief ceremonies to dedicate its new track during the meet. The new quarter-mile track with a 220-yard straight-away was built around the gridiron on what is known as Memorial field.

The last time Gettysburg was chosen for the site of the Middle Atlantic was in 1938.

Several individual titlists from the 1948 championships will return to defend their honors. James Grosch, Haverford, is the outstanding runner slated to participate in this year's event. In 1948 he breezed to a new Middle Atlantic record in the 880-yard run with a time of 1:53.5 minutes.

Other defending titlists are Tom Smith, Franklin and Marshall, in the 120-yard high hurdles; Tom Foley, St. Joseph's, 220-yard low hurdles; Russell Binder, Ursinus, 100-yard dash; Bill Battin, Swarthmore, mile run; Stuart Nimmon, Lehigh, high jump; Bill Brown, Muhlenberg, pole vault; Russell Straight, Muhlenberg, shotput, and George Kennedy, Ursinus, discus.

Atlantic City—Percy Bassett, 128, Philadelphia, knocked out Young Junior, 128, Springfield, Mass., 3.

Philadelphia—Joe Lindsay, 184 1/2, New York, outpointed Dusty Wilkerson, 182, Philadelphia, 8.

# Gehringer Named To Hall Of Fame

New York, May 6 (AP)—Charlie Gehringer, the brilliant second baseman of the Detroit Tigers in the '20s and '30s, is the newest addition to baseball's Hall of Fame.

The infielder, who spent 18 active seasons with the Tigers, became the 56th man to gain a place in the shrine at Cooperstown, N. Y.

He received 159 of 187 votes in a poll by the Baseball Writers Association of America. A total of 140 votes was necessary. Seventy-five per cent of the total ballot is necessary.

Those receiving the most votes were: Charlie Gehringer, 159; Mel Ott, 128; Jimmy Foxx, 89; Dizzy Dean, 81; Al Simmons, 76; Paul Waner, 63; Harry Heilmann, 52; Bill Terry, 48; Hank Greenberg, 44; Bill Dickey, 39, and Rabbit Maranville, 39.

# OLYMPIA HEAVY CHOICE IN DERBY

Louisville, Ky., May 6 (AP)—They've got 13 horses and Olympia printed and ready for Col. Matt Winn's 75th Kentucky derby tomorrow. And somewhere in the list there has to be a colt with enough speed to go out and run with Fred Hooper's favorite or it just won't be a horse race.

Olympia has been grabbing the big ones this year by the simple formula of blasting out of the gate like a Florida hurricane and whistling around the track ahead of the pack all the way.

Ben Jones, the Calumet trainer who will try again with Ponder, reiterated his opinion that Olympia is the best horse in the race. "I wouldn't take 100 to 1 on my horse," said Ben.

The horse to keep out in front with Olympia could be Johns Joy, trained by Monte Parke, younger brother of Ivan. Monte wants a fast track, and he has a speed horse that could provide a real derby act in this diamond jubilee derby classic.

There was a lot of support for Palestinian, the Isidor Bieber horse which almost beat Olympia in the Wood memorial mud two weeks ago. Palestinian had an impressive workout yesterday, clipping six furlongs in 1:12 4-5.

Olympia undoubtedly will be the odds-on choice, and it was the general opinion that the Greentree pair of Capot and Wine List would rule second in the mutual department.

# Suspend Coatesville From PIAA Title Play

Norristown, Pa., May 6 (AP)—The PIAA district 1 executive committee announced today suspension of Coatesville high school from championship competition next year for use of ineligible athletes. The committee said Coatesville had been "grossly negligent."

In a formal statement, Dr. Robert B. Taylor, of Norristown, the district chairman, made public the committee ruling depriving Coatesville of the Philadelphia Suburban league swimming championship and ordering that all other contests in which ineligible athletes were used are forfeited.

The statement named four competitors as having violated the PIAA eight-semester rule. The rule provides that students may not compete if they have attended school more than eight semesters beyond the eighth grade.

Named in the PIAA statement were Gerald Herman, star of the Coatesville swimming team, Donald Urbine, who played football and basketball, and football players William McGowan and Tony Branelle. The executive committee ruled Herman must surrender all medals won in competition and they shall "be redistributed to the rightful winners."

# Anderson Quits As Coach At Lafayette

Easton, Pa., May 6 (AP)—William H. Anderson today resigned as basketball coach at Lafayette college to devote his full time to his director of athletics position.

Ray Stanley, Anderson's assistant court mentor since 1946, was named to coach the court squad although Anderson will act in an advisory capacity.

# Hanover Wins 9-0 From Emmitsburg

Hanover gained its second straight victory in the Adams County Baseball league by blanking Emmitsburg 9-0 Thursday evening in the play off of a postponed game at Hanover.

The defeat marked the second in as many starts for Emmitsburg.

## Today's Talk

By GEORGE MATTHEW ADAMS

### GET SELF-ACQUAINTED

How very little we know about ourselves—but how much we may know if we will to do so! So much of our personal happiness depends upon getting along well with ourselves. We know ourselves better than others do, and yet we quarrel with ourselves!

Select yourself first as your best friend! Every hour of the day and night you are with that self of yours, so it follows that you ought to keep on the best of terms with yourself at all times if you would be happiest.

A human life needs to be well organized just as much as a business does. A well-organized life is the most efficient, as well as the healthiest and happiest. Too many folks blame others for the mistakes that should be scored to themselves.

Get self-acquainted and your personal power and influence will mount. Your worries will drop away and you will be surprised at your buoyancy of spirit. Keep on the best of terms with yourself. You are your best friend!

It is not surprising that there are so many people who cannot get along with others when they have such a difficult time to get along with themselves. Montaigne retired to his castle for this one purpose—to examine and delve into himself, and from this procedure wrote his famous essays that have lived these hundreds of years. No one can read them without personal gain and personal profit.

By reading the thoughts of others we have our own selves revealed to us. There is a universal kinship to us all. The better we know ourselves the better we know others, especially those nearest and dearest to us. We, in turn, reveal ourselves to others that they may get a better understanding of themselves.

The most famous statement of Socrates was confined to two words: "Know thyself!" Get self-acquainted and a world of problems are sure to be solved. You will then go forward in better part to a triumphant life experience.

Tomorrow Mr. Adams will talk on the subject: "The Ache of the Heart"

### WAR

War never grows gentler, or wiser, or cleaner.  
The knowledge men gain makes it blither, meaner.  
With every discovery science releases  
The terrible horror of warfare increases.

War always grows worse with man's bettered devices.  
The lesser the labor, the greater the price is.  
Shorten distance and time by swift methods of flying,  
War lengthens the list of the dead and the dying.

By machines all the burdens of men have been lightened;  
With leisure their lives have been bettered and brightened.  
But though searchers for knowledge deny the intention,  
War always grows worse with the latest invention.

STRIKE MAY END Harris

## STRIKE IDLES FORD'S GREAT ROUGE PLANT

Detroit, May 6 (AP)—Ford Rouge, a giant of the auto industry, lay still and helpless today in the grip of a strike.

The great factory, one of America's marvels, remained idle into the second day of the CIO United Auto Workers' walkout of 60,000 men protesting a "speed-up."

When it would function again for the Ford Motor Co. to pour out automobiles was an unanswered question. No renewal of negotiations in the dispute was scheduled.

However, it was felt that both company and union were agreeable to early peace talks in view of the strike's critical future effects if prolonged.

### 100,000 Affected

Ultimately Ford's entire operation as the world's second largest auto producer, employing more than 100,000 production workers, would face paralysis.

As the strike took quick effect at Rouge, Ford asked Dearborn police to guarantee free access to the plant by non-strikers, charging that pickets had forbidden entry to some.

All told, some 65,000 were on strike. The UAW-CIO also struck Ford's Lincoln-Mercury plant.

It was a simultaneous action at noon (EST) yesterday as negotiations were collapsing.

Company Makes Denials  
Speed-up was the charge in both

## Weather Forecast

Extended forecast for the period, Friday, May 6, through Wednesday, May 11:

Eastern Pennsylvania, eastern New York and mid-Atlantic states: Temperature will average above normal, about five degrees north portion and about eight degrees south portion; quite warm Saturday, cooler Sunday and Monday and warmer Tuesday and Wednesday; scattered showers Saturday and again Wednesday, beginning in south portion late Tuesday; total amount about one-half inch.

Western Pennsylvania, Ohio and West Virginia: Temperature will average about six degrees above normal; cooler Sunday and in north-west Ohio Saturday; mild through remainder of period, scattered showers Saturday and Tuesday; total amount about one-half inch.

Instances, in both, the company has made denials.

The strike's immediate effect was to cut off Ford's base here as a supplier of automobiles and auto parts.

With Rouge as its nerve center, Ford has been turning out about 5,400 cars and trucks a day. Only General Motors Corp. exceeds Ford.

One source—the trade paper Automotive News—said the strike might take Ford cars virtually out of the market if it lasts a fortnight.

## WALLACE SAYS NEWS WITHHELD

Washington, May 6 (AP)—Henry A. Wallace said Thursday that a Russian offer on March 21 to lift the Berlin blockade was deliberately withheld from the public because the State Department feared it might block the North Atlantic Pact.

He said the State Department held up news of the Russian "concession" for over a month "because it explodes the myth on which the North Atlantic Pact is based and destroys the basis on which it is being sold to the American people."

Wallace, former Vice President and now head of the Progressive party, was one of seven witnesses scheduled to testify before the Senate foreign relations committee today to argue against the 12-nation defense alliance.

The committee is laying the groundwork for a vote on the treaty which is not binding on the United States until ratified by the Senate.

Gainesville, Pa., May 6 (AP)—Charles T. Richman was sentenced to a year and a day after a federal grand jury convicted him of using the mails to defraud.

Judge Robert L. Russell, in sentencing the York, Pa., man said the

For six days it has heard those in favor of the program. Now those against it have their turn.

Wallace, in a prepared statement, urged the committee to withhold action on the treaty until after a Foreign Ministers' conference is held in New York on the German situation.

"This is our great—if may be our last—opportunity to arrive at a peaceful settlement of our differences" with Russia, he said.

## ADMINISTRATION HOLDS NEGATIVE POWER IN HOUSE

Washington, May 6 (AP)—Leaders of three major political groups in the House were in general agreement today that the Truman administration has negative—but not positive—control of the House.

In short, they said privately, the administration can stop major legislation it doesn't want but can't have a own way on passing big domestic bills.

They pointed to three acts on its year by the House to back up their statements. These bills dealt with rent control, pensions for war veterans, and labor-management relations.

### It Happened Before

The latest test of control came Wednesday on the labor bill. By a three-vote margin the administration recommitted the Wood bill which it opposed. But it lacked the votes to put over its own labor bill as a replacement for the Taft-Hartley act.

More than a month ago the same thing happened. The administration shelved, by a one-vote margin, the Rankin veterans' pension bill. It did not try to pass a pension bill of its own. (It probably could have, at President Truman held that this was not the time.)

On rent control, the administration made many concessions before sending a bill to President Truman.

While leaders of administration Democrats, southern Democrats and Republicans in the House declined to state their views publicly, they agreed that Hugh D. Scott, Jr., chairman of the Republican national committee, summed up the situation fairly accurately when he said the administration can kill bills but can't pass them.

## GOOD SUPPLY OF LOW COST FUEL

Bethlehem, Pa., May 6 (AP)—The anthracite industry has enough silt and bone coal on hand to supply low-cost synthetic fuels for a long time, an industry spokesman said today.

Dr. Raymond C. Johnson, research vice president of the Anthracite Institute, told the seventh annual anthracite conference that such hard coal by-products as silt and bone coal have been proven well adapted to the manufacture of synthetic chemical and liquid gaseous fuels.

"The anthracite industry has well over 150 millions tons of silt and bone coal now in storage," Dr. Johnson told the opening session of the two-day conference. "And currently is producing over six million tons of a low-cost fuel which is suitable for the manufacture of synthesis or fuel gas."

"This fuel," he said, "is available without the cost of opening new mines or increasing the production of present operations. It does not require new preparation plans and can be transported at low cost to a central location by means of a pipe line."

The Anthracite Institute official said the cost per heat unit of the silt and bone coal "will compare favorably with that from natural gas wells which has always been considered the lowest cost fuel."

## Two Killed When Transport Crashes

Ogden, Utah, May 6 (AP)—A twin-engined air force transport crashed and burned near here early Thursday, killing at least two persons.

The plane was a C-47 from the 1730th Air Transport Group at McClelland Field, Sacramento, Calif. It was attempting a takeoff from the Hill Air Force base.

The two persons known to be aboard were killed, Captain Hubert L. Stewart, Hill Field public relations officer said. He said he did not have their names.

## Says U.S. Money Aids Red Plots

Washington, May 6 (AP)—Senator Ferguson (R-Mich.) said today American Communists are pouring millions of dollars into iron curtain nations to help finance "conspiratorial activities against us."

"If they succeed in destroying us, they will find their way to world conquest open," he added.

Ferguson's remarks were in a prepared statement to a Senate Judiciary subcommittee which is studying his bill and other measures designed to curb the activities of Communists and Communist-front organizations in the United States.

Among other things, the Ferguson bill would require Communist organizations to file with the attorney general a report on the source and expenditure of their funds.

## POTTSTOWN HIGH SCHOOL BURNS

Pottstown, Pa., May 6 (AP)—Fire swept through a section of Pottstown senior high school Thursday, causing damage estimated by Fire Chief Richard E. Lindauer at \$80,000. All classes for the 800 pupils at the school were suspended indefinitely.

The blaze, discovered at 6:45 a. m. (EDT) wrecked the interior of the 40-year-old 10-room section known as the Richard building. Steel fire doors prevented spread of the blaze to the newer main structure, but water and firehoses caused collapse of ceilings in the first floor hallway of the main structure.

### 3 Firemen Injured

More than an hour after the fire was discovered, the roof of the older structure fell into the tangle of burning debris. The blaze was extinguished about two hours after a general alarm brought all three Pottstown fire companies and firemen from nearby Stowe to the scene. A milkman passing the school while making his morning rounds turned in the first alarm.

Three firemen were injured slightly. Edward Sheetz suffered lacerations of the face and body and Albert Welsh and Francis Borgiet were overcome by smoke. All were able to return to duty after receiving hospital treatment.

Frank M. Halston, superintendent of schools, announced that classes will not be held at the high school today due to the fire damage. He said that as an emergency measure it may be necessary to use rooms in nearby churches as temporary classrooms.

### GET WAGE BOOST

Philadelphia, May 6 (AP)—The Home Builders association of Philadelphia and suburbs and 15,000 AFL workers in 26 building trades have entered into their first two-year agreement calling for a wage increase of four per cent. The ratification of the contract was announced today.

## VA DISMISSES 8,000 EMPLOYEES

Washington, May 6 (AP)—The Veterans Administration ordered 8,000 of its employees dismissed today.

The agency said it will close 42 offices in 23 states in an effort to meet budget limitations for the fiscal year 1950, starting July 1.

Veterans Administrator Carl R. Gray, Jr., said the reductions will not affect hospitals and medical services.

In a letter to members of Congress, Gray said every effort will be made to keep the essential services to veterans at a high level.

Gray said notices will be in the hands of the discharged employees as of Monday, giving them the customary 30-day notice.

"Unless this step is taken now, more drastic curtailment would be necessary during the latter part of fiscal year 1950," Gray said.

announced yesterday by William E. Johnson, executive vice president of the association.

## Houses Unroofed In Duncannon Storms

Duncannon, Pa., May 6 (AP)—Several houses were unroofed last night when a series of three severe thunderstorms converged on this small Perry county community.

Practically every street was blocked with fallen trees and telephone and electric lines were knocked out by the storm, which lasted only 15 minutes.

Residents of the town turned out en masse after the blow to clear away the wreckage. Hail stones pelted the area during the storm.

## TELEPHONES and the high cost of hamburgers

Time was when you could buy a tasty, juicy hamburger anywhere for just 5¢... then 10¢... then 15¢. Today... who knows? While the hamburger's price was climbing, telephone service continued to increase in value far out of proportion to its low cost.

Every new telephone increases the value of every other telephone. With new telephone installations being made at a rapid rate, the service value of your telephone is still growing.

You can always depend upon your telephone—for high value at the lowest possible cost.

The 1949 Hambletonian trotting classic at Goshen, N. Y., Aug. 10, will be worth approximately \$87,000 —an increase of \$7,000 over last year.

Beyond it —  
Only the Future!

White sidewall tires available at additional cost.

The man who wants a finer motor car than the 1949 Cadillac, will have to wait.

He will have to wait until the science of motor car manufacture has reached a higher level. For here—in this gorgeously beautiful creation—is to be found the embodiment of all that is currently good and desirable in an automobile.

It is, in every way, as fine and splendid a motor car as it is practical to produce.

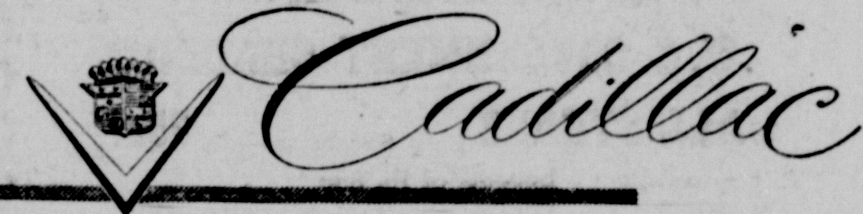

As is true of each succeeding Cadillac model, the advancements in the 1949 car are manifold, and encompass every aspect of the car's goodness. But the year's greatest advance is in the power plant—a

wholly new V-type engine which easily ranks as Cadillac's creative masterpiece.

The power flow is so smooth, and so seemingly inexhaustible, that many say the car seems to move by automatic propulsion. Performance is really a challenge to the imagination.

If you wish to know how truly wonderful a motor car can be, you are cordially invited to call at our showrooms for a look and a ride.

You are welcome at any time—regardless of the price class from which you expect your next car to come.

(Continued from Page 1)  
ent time and that it is expected that 95 will be enrolled next year. That number would be the largest in the history of the school which reached a high of 93 undergraduate students during the World War I years. He also spoke on plans to remodel or replace the present dormitory at the seminary which has been in use since 1832.

Dr. Robert Hershey, pastor of Holy Trinity church, Philadelphia, spoke on the subject "Seconds."

**Friends Elect Officers**  
Named as officers of the Friends of the Seminary were: Rev. John D. Foerster, Stoyestown, president; Carl L. Schaeffer, Westminster, and P. M. Shoemaker, Highspire, vice presidents; Mrs. J. Alfred Hamme,

York R. 7, secretary, and Mrs. Frank W. Luebbe, Johnstown, treasurer.

The Friends voted to continue the project of refurbishing the refectory at the seminary and heard reports of articles already purchased by the group as part of the project.

Beryl B. Maurer, president of the student body at the seminary, spoke on "An Engineer Looks at the Ministry" and the seminary quartet sang, "Lo, a Voice to Heaven Sound-ing," "Old Ark's a-Moverin'" and "Savior, Again to Thy Dear Name."

C. L. Price, Baltimore, retiring president, presided at the session. Dr. Wentz urged the group to continue the practice of sponsoring "pilgrimages" to the seminary and said that about 20 groups made trips to the seminary during the past year. Representatives of 12 chapters of the Friends of the Seminary attended the session.

## ENROLL THREE

(Continued from Page 1)  
sented for adoption a revised set of constitution and by-laws, which were approved by the club and ordered to be printed. It was announced that the young author of the current book "How to Be Happy Though Single," Miss Jean Van Evera, is a cousin of club member Miss Esther Hartman and has been a guest in local homes.

The monthly gift, presented by Miss Mary Jane Wills, was awarded to Miss Margaret Galbraith. The attendance prize, given by Miss Rupp, was won by Mrs. Murray.

The Public Affairs committee is arranging an official tour of the battlefield for club members, to be conducted by Dr. J. Walter Coleman on May 19.

The meeting closed with the recitation of the Y. Purpose.

## Rescue Workers Find Four Trapped Miners Dead In Anthracite Mine Today

### BELIEVE DEATH FOLLOWED SOON AFTER BLAZE

Girardville, Pa., May 6 (AP)—Four miners were found dead today after rescue workers battled 48 hours to reach them in an anthracite shaft filled with smoke and fumes from an underground fire.

The four bodies were discovered 600 feet below the surface, close together in a tunnel running off the main shaft.

Deputy Coroner John Cook said apparently they died shortly after the fire broke out last Tuesday night in the No. Five colliery of the Gilberton Coal company.

Joseph Kupulis, who led the five-man rescue crew which found the bodies, said there were indications the four men had walked up a sloping tunnel from the mine's 800-foot level and then collapsed.

**Brought To Surface**  
The bodies were some distance from the nearest compressed air line, Kupulis said. Earlier, rescuers had attached three compressors to the shaft's air lines, hoping the trapped men would open a valve and obtain life-giving oxygen.

A sudden drop in the air pressure yesterday led rescuers to hold out some hope the men were alive and had reached a valve. The reduced pressure, however, apparently was caused by an airline leak or some other failure.

All four bodies were brought to the surface within two hours after their discovery. At the pithead, the Rev. John Walsh of St. Joseph's Catholic church in Girardville, administered the rite of extreme unction.

The four miners were William Kelly, 49, Joseph Wowak, 34, both of Shenandoah, Pa.; Raymond Eye, 35, and William O'Brien, 53, Girardville.

**Four Escaped**  
As soon as word of the miners' deaths reached the surface, the hundreds who had maintained an all-night vigil at the shaft began drifting back to their homes. The mine blaze started while eight members of a night force

### Driver Is Blamed In Highway Death

Chambersburg, Pa., May 6 (AP)—Quay Smith, 27, York bakery truck driver, was found "directly responsible" Wednesday by a coroner's jury for the death of Daniel J. Hospelhorn, 63-year-old Chambersburg highway worker.

Smith is now free on a \$1,500 bond pending a hearing on an involuntary manslaughter charge. No date has been set for the hearing. State Policeman Robert P. Brady testified at the inquest that Smith's truck rammed through a road barrier striking and killing Hospelhorn on April 26. The accident occurred as the worker was sweeping a section of the four-lane Lincoln highway near here.

Brady quoted Smith at the time as saying he had fallen asleep and didn't see the barrier or the workman. Smith, himself, did not testify at the inquest.

He was in the 1,100-foot shaft. Four miners managed to reach the surface.

The initial alarm touched off a frantic effort to clear the shaft of smoke and fumes so that rescuers could reach the trapped men.

Fans were installed both to blow the fumes below the level where the men were believed trapped and to suck the poisonous monoxide fumes out through air vents.

Gradually rescue crews worked their way down the main shaft. Shortly before 1 a. m. (EST) one rescue crew reached the second level and reported the air conditions were good.

An hour later the first word was sent to the surface that the bodies had been found.

Meanwhile, the fire continued burning on the second level where Elmer Christ, the coal company's general manager, believes timbers were ignited by a short circuit.

State mine inspectors ordered the mine—which employs 400 hard coal diggers in two shifts—be kept closed until the fire has been extinguished and the shaft completely cleared of fumes.

All the victims were married except Eye. O'Brien is survived by one child, Eye, Wowak by two and Kelly by three.

### EUROPE HAILS BLOCKADE'S END

London, May 6 (AP)—All Europe today hailed the scheduled May 12 ending of the blockade of Berlin as a warm ray of sunshine in the cold war.

But whether it was a victory for the east or the west depended upon which newspaper you read or which statesmen you listened to.

Communists generally said Russia had won a round in the tense battle with "western imperialists and war mongers." Western European nations took the view that allied diplomacy—plus the airlift—had scored a victory.

But whatever the editorial writers

wrote and the politicians said, the little people of Europe were inclined to rejoice. It was their first solid bit of good news in a long time.

All but one of the London morning newspapers which made editorial comment took the view the end of the blockade was a step toward peace. But the Communist Daily Worker chortled: "This marks a retreat for the United States." United

Nations officials hailed it as a victory for U.N. mediation.

Dr. Herbert V. Evatt, president of the U.N. General Assembly, called it "another example of the good effects of United Nations intervention." He asserted it was "not without significance that it was the U.N. representatives of the Soviet Union and the United States who brought about such a happy agreement."

### Young Doctor, 36, Dies in Lancaster

Lancaster, Pa., May 6 (AP)—Dr. Herman H. Levin, a native of New Castle, Pa., is dead at 36.

Dr. Levin was consulting anesthesiologist at Lancaster General hospital and to the Veterans Administration hospitals at Coatesville and

Lebanon. He died Wednesday at the Lancaster hospital of coronary thrombosis a few hours after he became ill.

A World War II veteran, he

graduated from the University of Pittsburgh and the St. Louis University Medical college.

Survivors include his widow and six brothers and sisters.

### CHINESE REDS FORM ALLIANCE IN KOREA, BURMA

By TOM LAMBERT

Shanghai, May 6 (AP) — Chinese Communists have joined in a Russian-blessed alliance with North Korean Reds, the official Chinese Central News agency said Thursday.

The Communist action was announced as part of "the joint struggle against American and British imperialism," the Nationalist agency said.

If true, the "mutual defense pact" would stretch a 3,500-mile Red arc from the Sea of Japan to the Indian ocean—an arc encompassing hundreds of millions of people. There was no confirmation of the pact from other sources, however.

#### New Red Drives

Chinese Red armies meanwhile slashed across south central China, with these developments reported:

1. As Government forces prepared to yield Hankow, shaky central China fortress-city, a Red offensive posed a sharpening threat to their escape route. The Red drive was nearing Nanchang, midway between Shanghai and Canton, and seemed aimed at Changsha as well. Changsha, 175 miles farther inland, is on the rail line 200 miles south from Hankow.

2. Formosa sources reported the return of Generalissimo Chiang Kai-shek from Red-encircled Shanghai to that big island haven. By coincidence, one Formosan newspaper only a day ago called many government officials flocking to that island

### Auxiliary Postpones Plans For Box Social

Announcement has been made by the officers of the Ladies Auxiliary of the Ocker Snyder Post No. 321, American Legion, that the box social previously announced to be held in connection with the regular monthly meeting next Wednesday evening has been postponed because the post has engaged "Raymond" the magician to present his show of magic that evening in the high school auditorium at 8 o'clock.

A short business meeting of auxiliary has been called for 7 p. m. and the business will be completed in ample time for the performance at 8 o'clock.

"political rubbish," and urged Formosan officials to extend "no hospitality."

#### Report Red Repulse

3. The Shanghai garrison command said Nationalists repulsed two Red columns in "a heavy battle" 37 miles northwest of Shanghai on the highway to Nanking. It placed the clash near Taichong, and said the Reds left behind them "several hundred dead and wounded and 12 captured."

4. An American pilot, Ray Bowes, of Buffalo, N. Y., flying with a Chinese airline, said he has seen no fighting or troop concentrations around Shanghai the past few days. He reported equally light military activity in the endangered central China base of Hankow.

5. Fire of unknown origin destroyed 4,000 huts in the poorer section of Shanghai, leaving 20,000 homeless. The garrison meanwhile sought to speed evacuation of some of the city's swollen population.

### DECLARES REDS URGED CONTROL OF U.S. RAILMEN

New York, May 6 (AP)—Communist leaders in St. Louis taught party members that Red control of railroad workers was vital to the success of a revolution in the United States, a government witness says.

The testimony about Communist activities in the important railroad and industrial center was given Wednesday by Thomas A. Younglove, an FBI undercover agent.

Younglove, a St. Louis business man, told a federal court jury about Communist concentration on railroad workers.

His story—based on four years in the Communist movement as an FBI informant—fitted into the government's city-to-city and industry-to-industry tracing of an alleged Red plot for armed revolt.

**Attended Secret Meeting**

Younglove testified that he attended a secret party meeting at

Missouri state headquarters in St. Louis in June, 1946.

The witness said that Otto Wang-erin, the party's railroad organizer, urged at the meeting that all Communist members get behind "concentration" in the railroad industry.

Younglove declared:

"Wangerin quoted Lenin as saying we could never hope to have a successful revolution without having the railroad workers with us."

The witness, testifying against 11 top Communist leaders charged with conspiracy to advocate violent overthrow of the government, spent all day on the stand telling about Communist party affairs in Missouri.

#### KILLED ON HIGHWAY

Wrightsville, Pa., May 6 (AP)—William Calloway, 54, of Paoli, Pa., was killed last night in an automobile-truck collision on the Lincoln highway. State Policeman C. J. Shovelin said Calloway's car struck the parked truck of Henry J. Miller, 21, of York. Calloway died instantly of a skull fracture, Shovelin said.

Miller, who told the state trooper he parked along the highway to sleep, was not hurt.

## REV. LEEMING IS LIONS' SPEAKER

The Rev. Arthur E. Leeming, superintendent of the Hoffman orphanage, was guest speaker at the semi-monthly meeting of the Rotary club, held last evening at Bankert's Restaurant. The Rev. Mr. Leeming chose as his subject "The Home" and he discussed the meaning "home" in modern days.

Charles Held, who is chairman of the zone in which the Littlestown club is included, was present at the meeting and spoke to the members about the coming state convention to be held in Philadelphia and the international convention, to be held in New York City. One visitor, Alvin D. Bowersox, was present. Stanley D. Bowersox gave the report of the nominating committee. The nominations will remain open until election of officers is held.

It was announced that the club, in connection with its welfare program, has purchased a combination stroller-wheel chair, for a local child, who is unable to walk. The membership committee was in charge of the program. A board of directors meeting followed the regular business session, which was in charge of the president, Harry T. Harner. A contribution of \$15 was voted to the fund for the overseas blind.

Ladies' Night will be observed at

## Littlestown

Four hundred dollars was voted to the parsonage fund of Redeemer's Reformed church by the Ladies' Aid society at their monthly meeting Tuesday evening in the social hall. It was also reported that the annual Easter Market, held April 16 in the fire hall, was a big success, with \$128 being realized. The group also decided to serve two banquets and a wedding reception. Tuesday, May 10 at 6:30 p. m., they will serve a turkey banquet to the Girls' Bowling League of Littlestown and on May 19, they will serve a roast beef banquet for the Lions club ladies' night. On Saturday afternoon, May 14, they will serve a wedding reception. Both the banquets and the wedding reception will be in the so-

cial hall. This meeting was in charge of the president, Mrs. John LeGore. Mrs. Frank E. Reynolds gave the secretary's report and the treasurer's report was given by Mrs. Ralph Reaver. The next meeting will be held Tuesday, June 7 in the social hall. After a short meeting the society will tender a reception at 7:30 p. m. to the new members of the church. Mrs. A. C. Garland was in charge of the evening's program. Psalm 23 was read in unison by the group after which Mrs. Samuel W. Beck offered prayer. A number of poems were then presented, as follows: "Mother," Mrs. John LeGore; "Remembrance" and "Mother," Mrs. Harry M. Badders; "To a Little Old Mother," Mrs. Charles Hofe. Group singing was also enjoyed.

The next meeting of the club, on Thursday, May 19, when the constitution and by-laws committee consisting of Chester S. Byers, George G. Collins and Worthy A. Crabbs, will be in charge of the program. A banquet will be served in the social hall of Redeemer's Reformed church, by the Ladies Aid society of the church.

## News From Littlestown

### LETTER THANKS RESIDENTS FOR GIFT OF BOOKS

The following letter, addressed to the citizens of Littlestown who contributed to the collection of books and periodicals which were sent by the Rotary club to be used in the library of the Military Government at Bavaria, Germany, was received from Francis C. Lindaman, son of Mrs. Certe Lindaman, East King street, who is liaison security officer for the military government there, and who requested that an effort be made to send books.

"The generous response to my appeal for books and magazines has earned you the gratitude of the entire county of Gunzburg, whose population is about 40,000. I also want to express to you my personal appreciation and to say that your cooperation has helped to further the military government's democratization program and has aided me greatly in my efforts to show the citizens of communities under my jurisdiction what it means to live in a free nation like America.

"Visitors to our little library are fascinated by your copies of Life, Holiday, Readers Digest and so on. They are especially impressed by the National Geographic, which most of them had never seen before.

Some of the teachers were most grateful to have available the text books which were included in one of the boxes. Even though conditions have improved in Germany since the currency reform last July, most of the schools still have no text books. History, geography, mathematics, languages all have to be taught to the pupils by lectures or copying from blackboards.

**Old Books Destroyed**  
"It is very difficult for the teacher and a great shame for the children. You see, American Military Government in 1945, removed practically all of the currently used school books from the class room, because they all glorified the Nazi ideology. Since then, of course there has not been sufficient money, paper or print to publish new ones, hence the schools have to manage as best they can with the books.

"Now that Germany has been freed of one kind of totalitarianism, it, like the rest of the world, is

threatened by another kind from the East. That is why, we in Military Government, are so eager to show Germany the way of the West, by giving them a chance to read and hear about the way of life in America.

"I am glad to feel that I may be playing a part, however small, in combating Communism. You can certainly feel that your gifts of books and magazines that came from a free press, is also playing its part. I am sure you will be interested in

what the two local papers had to say about the boxes of books from Littlestown. I would send the actual clippings but since they are in German, I thought it best to make translation.

**Books from the U. S. A.**  
"The Military Government announces that the library of Military Government has been greatly enriched. Friends and acquaintances of Mr. Lindaman, in his native town, the small town of Littlestown with 2,500 inhabitants, had collected books and magazines. Their willingness to give was so great that four boxes have been forwarded. The boxes contained especially many periodicals. Many thanks to the

unknown givers for their contribution of material to the idea of understanding between nations."

"I am also taking the liberty of sending you a page from one of the Army papers in Germany about a Youth Government Day which we ran very successfully here in Gunzburg. Apparently this was the first such attempt made in Germany and therefore it received a great deal of publicity from the press and the news reels throughout Germany. To an American, such a project does not seem at all unusual, but to a German, the idea is somewhat startling. When I first presented the plan to the officials of the city and county, they were horrified.

"Let Youth take our jobs for a day! Impossible! There will be chaos in the City Hall," objected the mayor, but despite objections, I persisted, explaining that it would be good education for them to see at first hand local government in action. "I explained that elections would be held in strict conformity with Bavarian election laws and that would give other boys and girls, in addition, to the candidate, an opportunity to see a democratic election in action. Finally, the city fathers, still not entirely convinced, agreed to cooperate. As things worked out, everyone seemed delighted and admitted that it had been worthwhile."

Twenty lettermen, including six pitchers, are available for duty on the North Carolina State baseball team this season.
